## Signup Process

### Step 1:

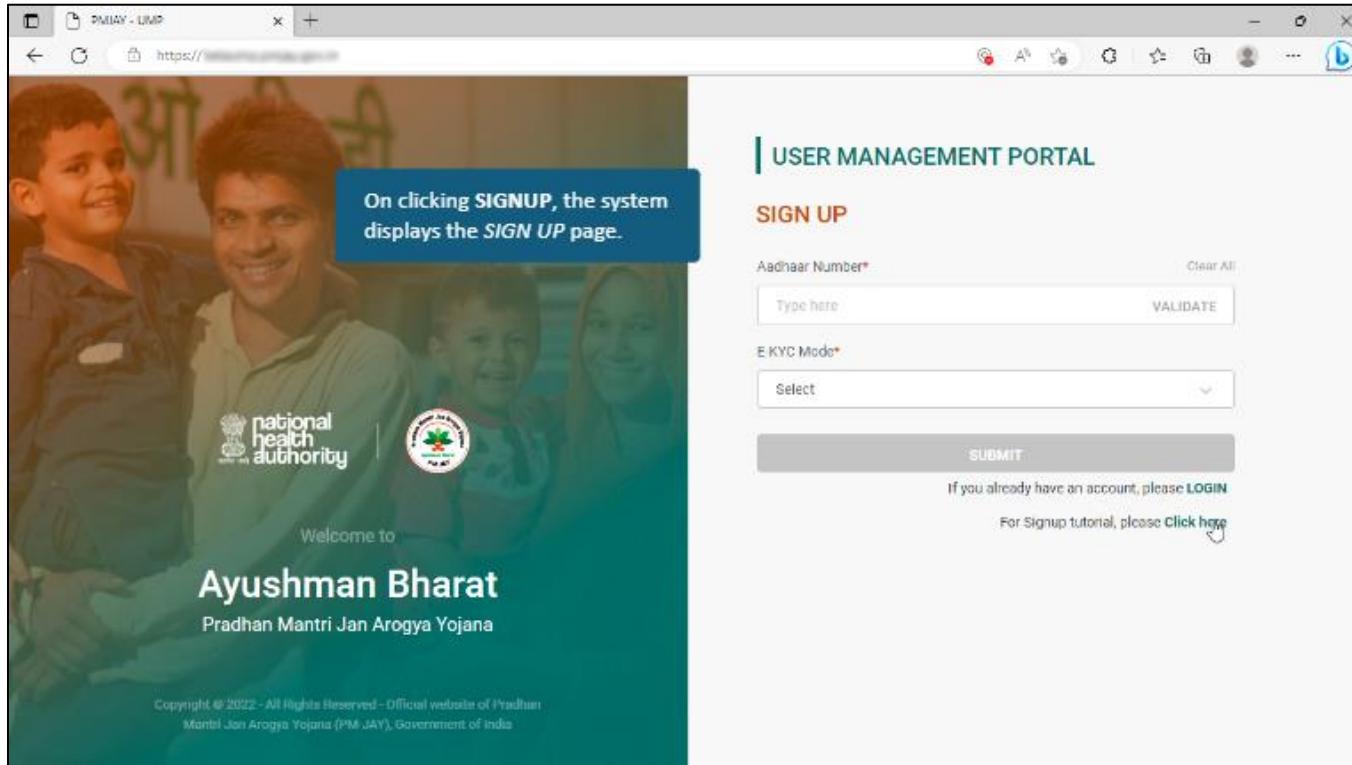

This is the UMP *Login* page.

Click the 'Signup' link, to register yourself on UMP.

The screenshot shows the User Management Portal (UMP) login page. On the left, there's a banner for Ayushman Bharat with the Pradhan Mantri Jan Arogya Yojana logo. The main area has a teal header 'USER MANAGEMENT PORTAL'. It features a 'LOGIN' button and a teal box containing the text 'This is the UMP *Login* page.' Below the login form, there's a message: 'If you don't have an account, please [SIGNUP](#)'. A red box highlights the 'SIGNUP' link. Another teal box at the bottom right says 'Click **SIGNUP** to register yourself on UMP.'

On clicking the 'SIGNUP' link, the system displays the *SIGN UP* page.

The screenshot shows a web browser window for the 'USER MANAGEMENT PORTAL'. The left side features a banner for 'Ayushman Bharat' with a photo of a smiling man and child, and text about the Pradhan Mantri Jan Arogya Yojana. A blue callout box on the banner says: 'On clicking SIGNUP, the system displays the SIGN UP page.' The right side contains the 'SIGN UP' form. It includes fields for 'Aadhaar Number\*' (with a 'Type here' input field and a 'VALIDATE' button), 'E KYC Mode\*' (a dropdown menu set to 'Select'), and a large 'SUBMIT' button. Below the form are links for 'LOGIN' and 'For Signup tutorial, please Click here'.

On clicking **SIGNUP**, the system displays the **SIGN UP** page.

## Step 2:

On this page enter your Aadhaar number.

The screenshot shows the 'USER MANAGEMENT PORTAL' sign-up page. On the left, there's a banner for 'Ayushman Bharat' featuring a smiling man and two children, with logos for the National Health Authority and PM-JAY. The main form has a red box around the 'Aadhaar Number\*' input field, which contains the placeholder '92488049XXXX'. To the right of the input field is a 'VALIDATE' button. Below the input field is a dropdown menu labeled 'E-KYC Mode\*'. A blue callout box points to the input field with the text: 'Enter your Aadhaar number in the "Aadhaar Number" field.' At the bottom of the form, there are links for 'LOGIN' and 'For Signup tutorial, please Click here'.

### Step 3:

And click the **VALIDATE** button.

The screenshot shows the 'USER MANAGEMENT PORTAL' sign-up page. On the left, there's a banner featuring a smiling man and two children, with the 'national health authority' and 'Ayushman Bharat' logos. The main form area has a teal header 'USER MANAGEMENT PORTAL' and a red 'SIGN UP' section. It includes fields for 'Aadhaar Number\*' (containing '92488049XXXX') with a 'VALIDATE' button highlighted by a red box, 'Please select e-kyc mode' (with 'Select' dropdown), and 'E-KYC Mode\*' (with 'Select' dropdown). Below the form is a large blue button with white text: 'Next, click VALIDATE.' To the right of the form is a grey 'SUBMIT' button. At the bottom, there are links for 'If you already have an account, please LOGIN' and 'For Signup tutorial, please Click here'.

When your Aadhaar number is validated successfully, a green checkmark appears.

The screenshot shows the 'USER MANAGEMENT PORTAL' sign-up page. On the left, there's a banner for 'Ayushman Bharat' featuring four children and the Pradhan Mantri Jan Arogya Yojana logo. The right side has a 'SIGN UP' form. In the 'Aadhaar Number\*' field, the number '92488049XXXX' is entered, and a green checkmark icon is visible next to it, indicating successful validation. A tooltip above the field states: 'When your Aadhaar number is validated successfully, a green checkmark appears.' Below the form, there's a note about E-KYC Mode and a 'SUBMIT' button. At the bottom, links for 'LOGIN' and 'Click here' are provided.

Mantri Jan Arogya Yojana (PM-JAY), Government of India

## Step 7:

If you select 'Aadhaar Fingerprint', you will be required to authenticate your fingerprint. This information is pre-registered and mapped to your Aadhaar.

The screenshot shows the 'SIGN UP' section of the User Management Portal. It includes fields for Aadhaar Number (92488049XXXX), E-KYC Mode (dropdown menu showing 'Select', 'Aadhaar OTP', and 'Aadhaar\_Fingerprint' where the latter is highlighted with a red border), and a note about Aadhaar Fingerprint authentication. The portal features a header with the National Health Authority logo and the Ayushman Bharat PM-JAY logo, along with a background image of a smiling family.

If you select 'Aadhaar\_Fingerprint', you will be required to authenticate your fingerprint. Your fingerprint is authenticated via your Aadhaar.

## Step 12:

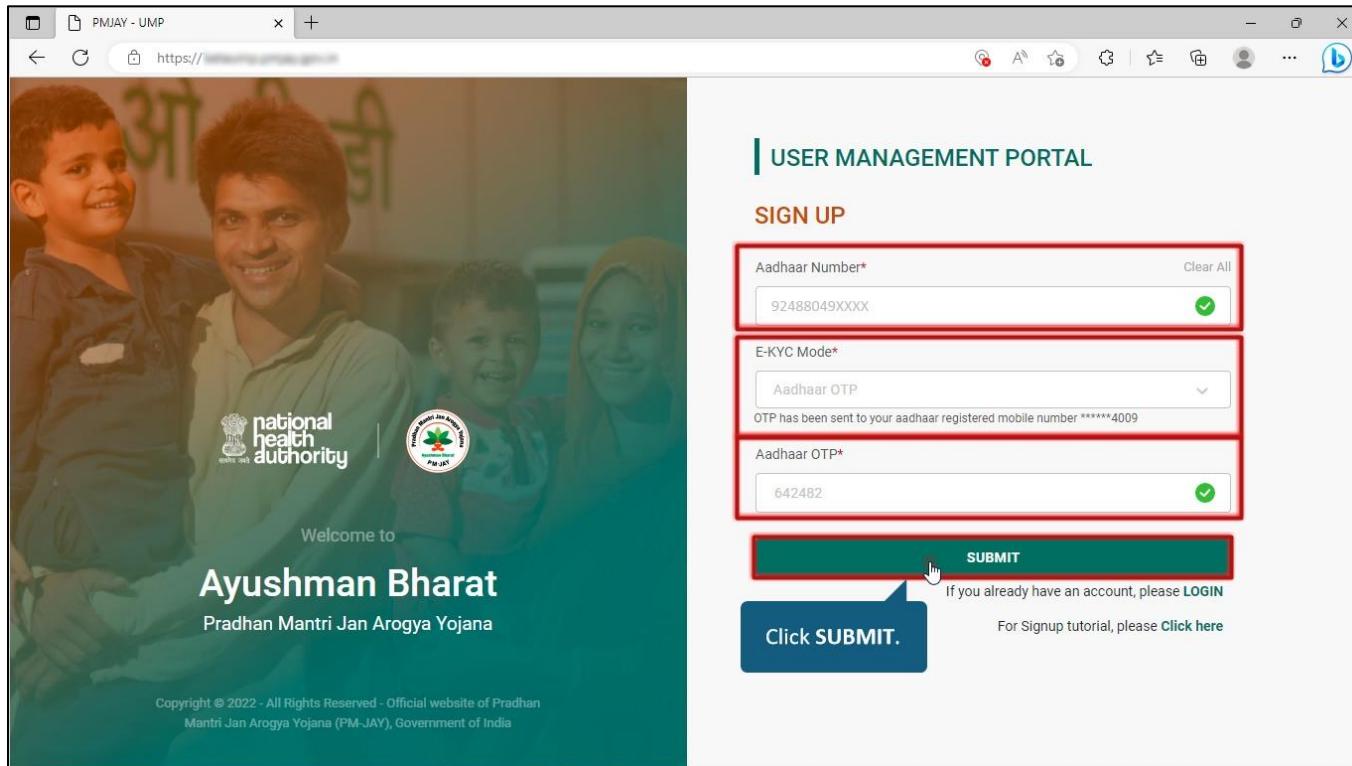

On entering the correct OTP, a green checkmark appears

The screenshot shows the 'USER MANAGEMENT PORTAL' sign-up page. On the left, there's a banner for 'Ayushman Bharat' featuring a smiling man and two children. Logos for 'national health authority' and 'Pradhan Mantri Jan Arogya Yojana (PM-JAY)' are visible. The main form has fields for 'Aadhaar Number\*' (containing '92488049XXXX' with a green checkmark), 'E-KYC Mode\*' (set to 'Aadhaar OTP'), and 'OTP' (containing '642482'). A blue callout bubble points to the OTP field with the text: 'On entering the correct OTP, a green checkmark appears.' The browser address bar shows 'PMJAY - UMP' and the URL 'https://'. The bottom of the page includes copyright information: 'Copyright © 2022 - All Rights Reserved - Official website of Pradhan Mantri Jan Arogya Yojana (PM-JAY), Government of India'.

### Step 13:

Once you have filled the **SIGN UP** page, click the **SUBMIT** button.

The screenshot shows the 'SIGN UP' page of the Ayushman Bharat User Management Portal. The background features a photograph of a smiling family and logos for the National Health Authority and Ayushman Bharat. The form fields are outlined in red, and the 'SUBMIT' button is highlighted with a cursor icon. The page includes links for existing users to log in and for tutorial access.

#### Step 14:

In the next steps, you need to add your personal details, your roles so you can have role-based access to the different PM-JAY applications and create your login credentials, to access the PM-JAY applications.

The screenshot shows a web browser window for 'PMJAY - UMP' at <https://pmjay-ump.gov.in/>. The URL bar also displays '8171886048'. The page has a header with 'Mobile OTP\*' and a field containing '235113'. Below this is a blue button labeled 'Add roles for yourself'. To the right is another blue button labeled 'Add your personal details'. The main content area is divided into two sections:

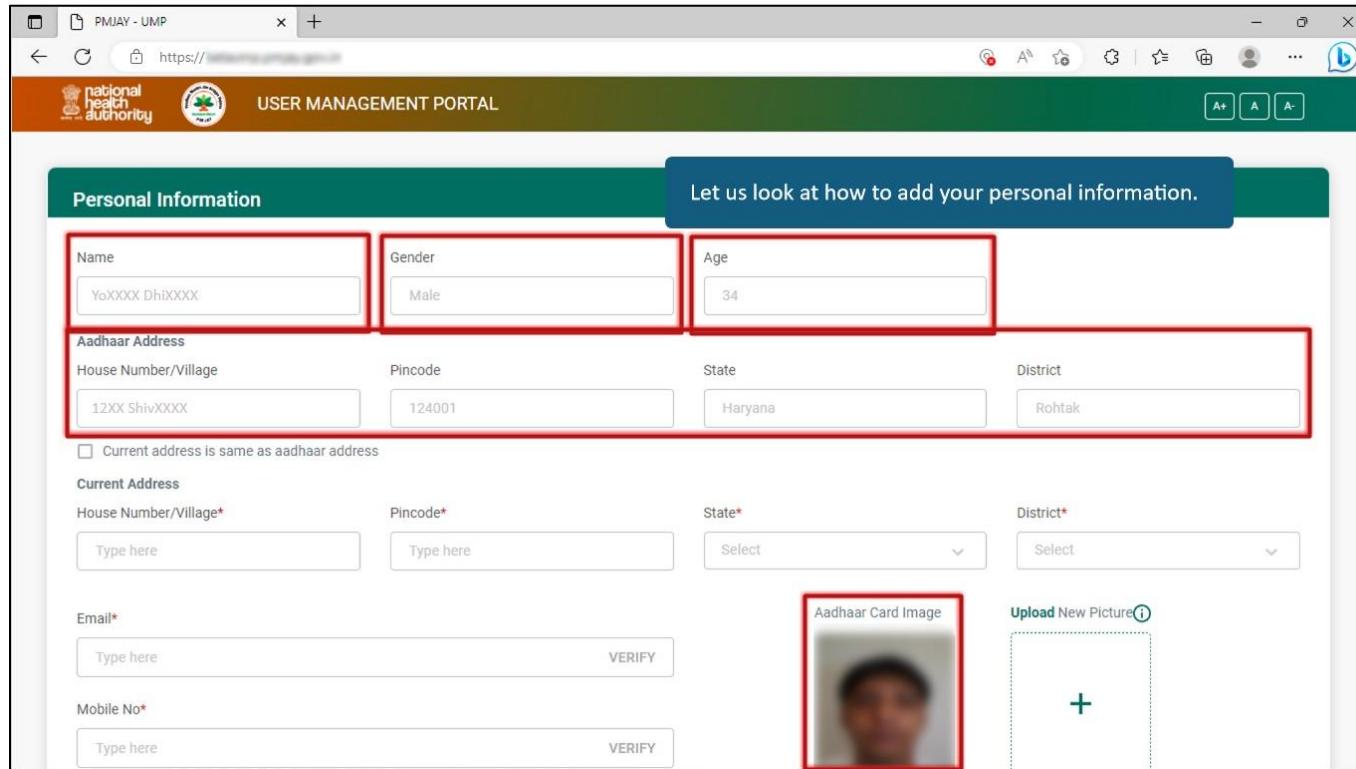

- Add Role Details**: Contains fields for 'Parent Entity\*' (NHA), 'Entity Type\*', 'Entity Name\*', 'User Role\*', 'Application\*', and an 'ADD' button. This section is highlighted with a red border.
- User Credentials**: Contains fields for 'Username\*', 'Password\*', and 'Confirm Password\*'. This section is also highlighted with a red border.

A blue button labeled 'Create your login credentials' is located at the bottom right of the 'Add Role Details' section. The entire page has a light gray background with decorative orange and green swooshes at the bottom.

### Step 15:

Let us start with looking at how to update the 'Personal Information' section.

Under the personal information section, your demographic details, such as your name, gender, age, address and your Aadhaar image will be auto populated from your Aadhaar.

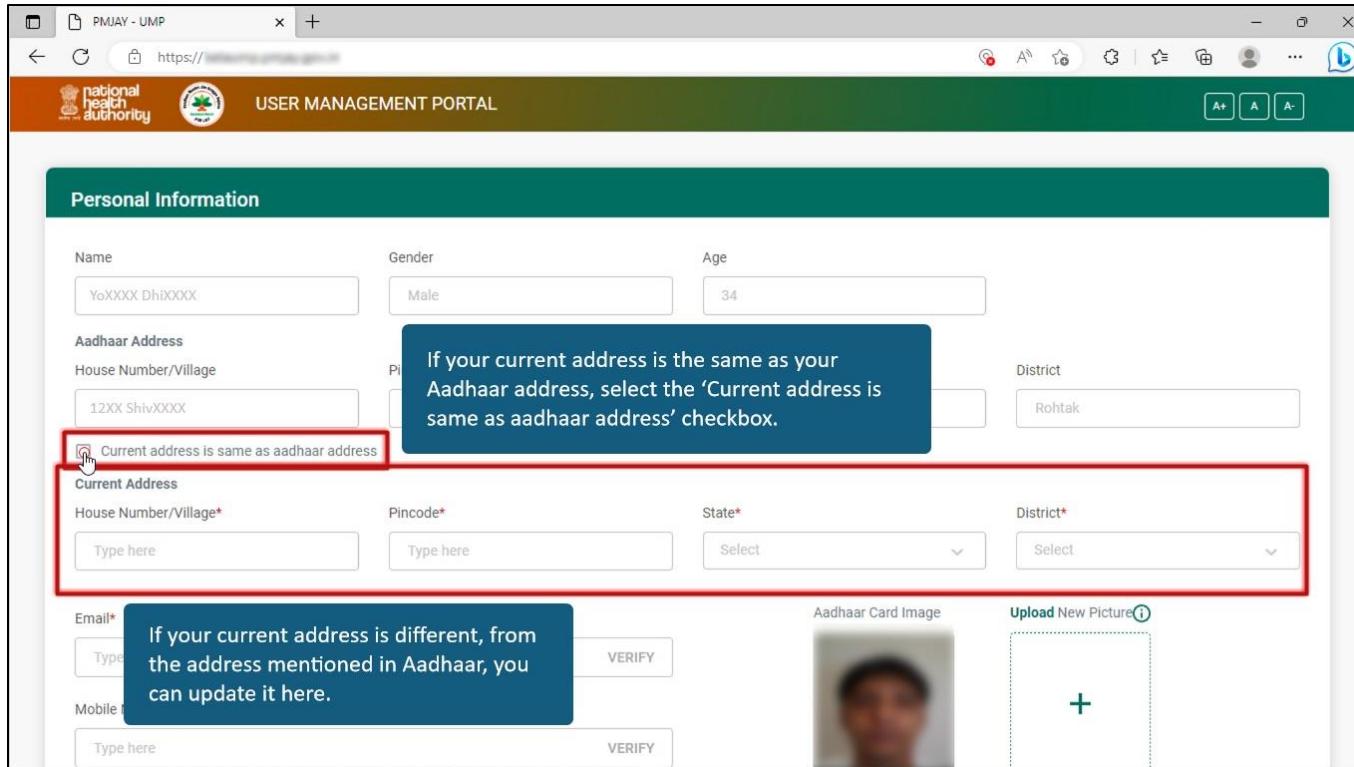

The screenshot shows the 'Personal Information' section of the PMJAY - UMP User Management Portal. The page has a green header bar with the text 'Let us look at how to add your personal information.' Below the header, there are several input fields:

- Name:** YoXXXX DhiXXXX (highlighted with a red border)
- Gender:** Male
- Age:** 34
- Aadhaar Address:** House Number/Village: 12XX ShivXXXX; Pincode: 124001; State: Haryana; District: Rohtak (highlighted with a red border)
- Current Address:** House Number/Village\*, Pincode\*, State\*, District\* (each with a dropdown menu)
- Email\***: Type here (with a VERIFY button)
- Mobile No\***: Type here (with a VERIFY button)
- Aadhaar Card Image**: Displays a blurred image of a person's face.
- Upload New Picture**: A placeholder box with a '+' icon for uploading a new Aadhaar card image.

### Step 16:

If your current address is different, from the address mentioned in Aadhaar, you can update it here.

If your current address is the same as your Aadhaar address, select the 'Current address is same as aadhaar address' checkbox.

Upload New Picture (Placeholder with a plus sign)

**Add Role Details**

Username\* Password\* Confirm Password\*

### Step 19:

An orange checkmark appears.

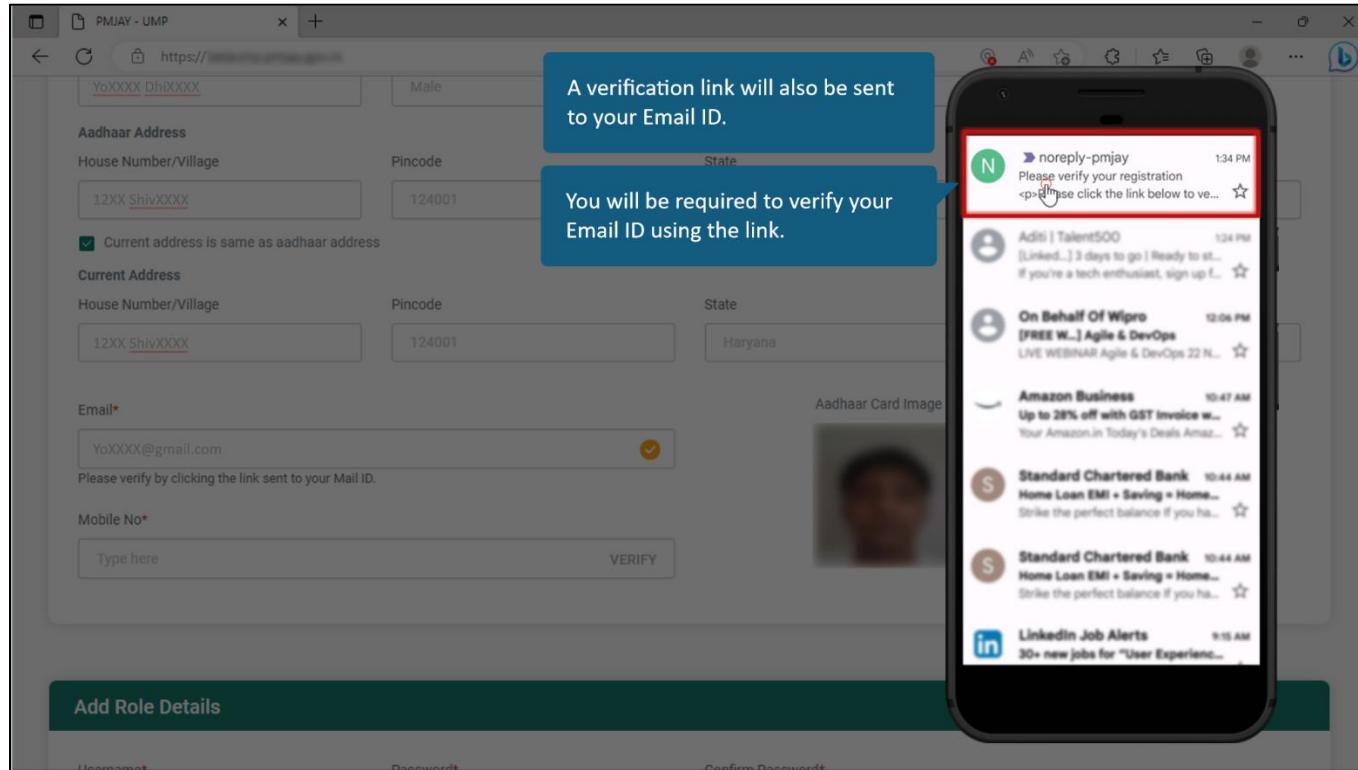

The screenshot shows a web browser window for the PMJAY UMP application. The form includes fields for Aadhaar Address (House Number/Village: 12XX ShivXXXX, Pincode: 124001, State: Haryana, District: Rohtak) and Current Address (House Number/Village: 12XX ShivXXXX, Pincode: 124001, State: Haryana, District: Rohtak). There is a checked checkbox for "Current address is same as aadhaar address". Below these are fields for Email\* (YoXXXX@gmail.com), Aadhaar Card Image (a blurred photo of a person's face), and Mobile No\* (Type here). A red box highlights the orange checkmark icon next to the "VERIFY" button. A teal callout box contains the text "An orange checkmark appears." To the right, there is an "Upload New Picture" button with a plus sign. At the bottom, a green bar contains the text "Add Role Details" and fields for Username\*, Password\*, and Confirm Password\*.

## Step 20:

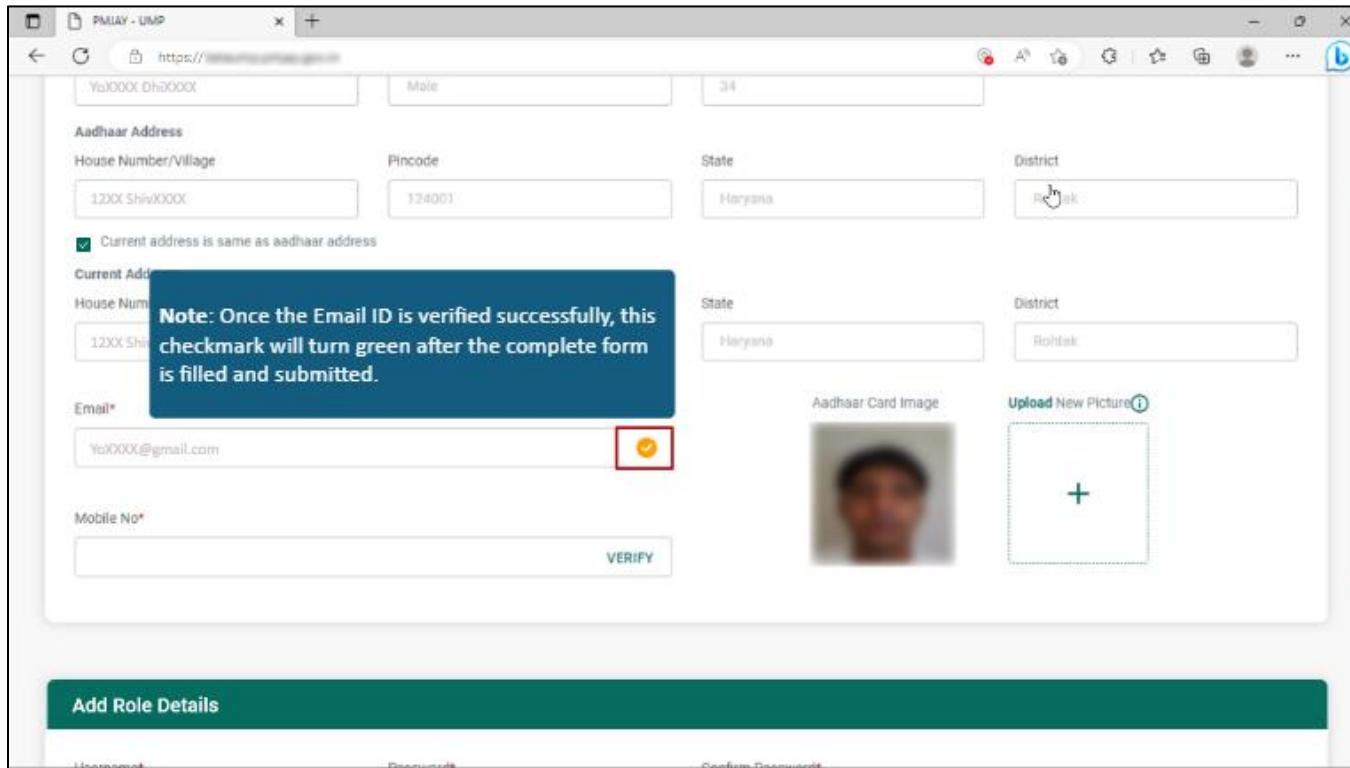

A verification link will also be sent to your Email ID. You will be required to verify your Email ID, using the link. You need to verify this email id within 7 days. If this email id is not verified within 7 days you will not be able to access the PM-JAY applications.

In case you have missed the mail, the system also allows you to resend the email verification link.

The screenshot shows a web browser window for the PM-JAY application. The form includes fields for Aadhaar Address (House Number/Village: 12XX ShivXXXX, Pincode: 124001, State: Haryana), Current Address (House Number/Village: 12XX ShivXXXX, Pincode: 124001, State: Haryana), Email (YoXXXX@gmail.com), and Mobile No. A message box displays: "A verification link will also be sent to your Email ID." and "You will be required to verify your Email ID using the link." Below the message box is a placeholder for an Aadhaar Card Image. At the bottom, there is a "VERIFY" button. To the right of the browser window is a smartphone displaying a mobile inbox. An incoming message from "noreply-pmjay" with the subject "Please verify your registration" is highlighted with a red box. The message body says: "Please click the link below to ve...". The inbox also shows messages from "Aditi | TalentSOO", "On Behalf Of Wipro", "Amazon Business", "Standard Chartered Bank", and "LinkedIn Job Alerts".

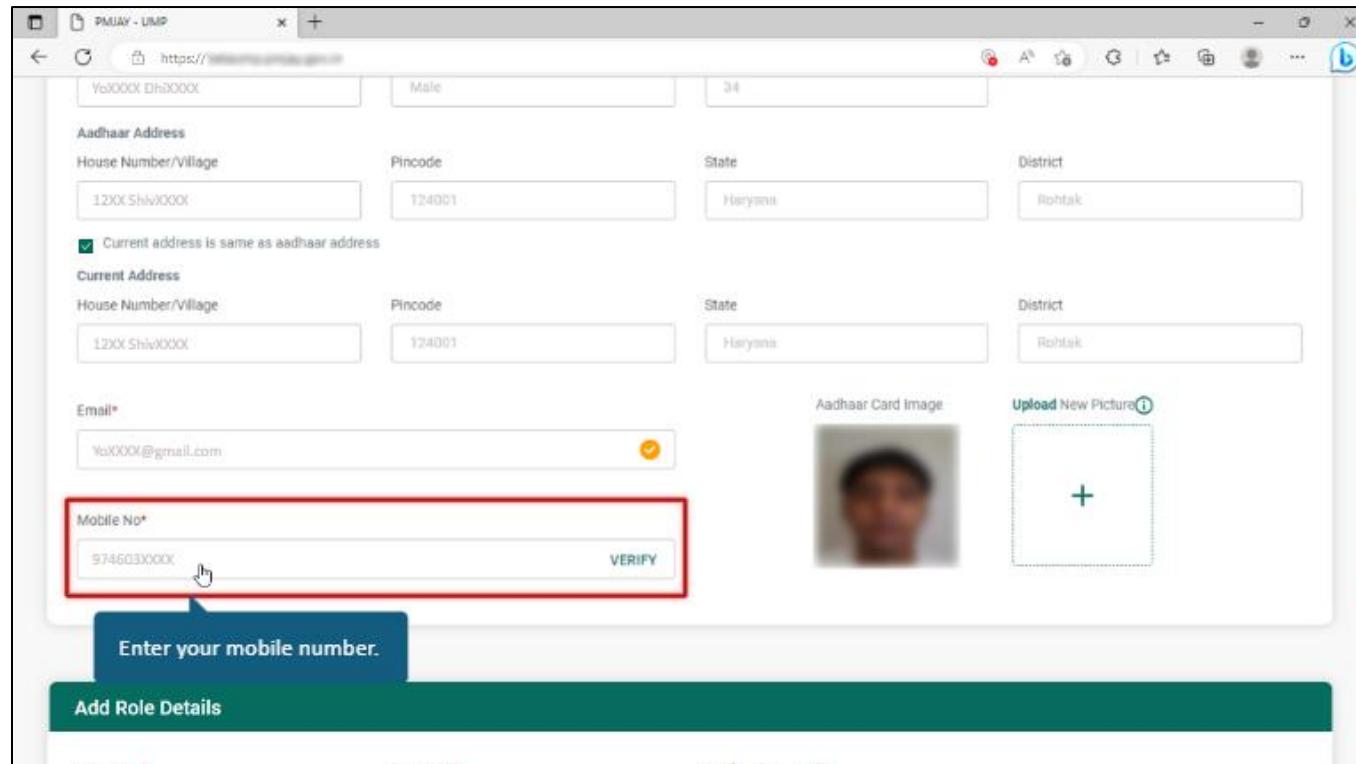

Once the Email ID is verified successfully, this checkmark will turn green after the complete form is filled and submitted.

The screenshot shows a web-based application for the Pradhan Mantri Jan Arogya Yojana (PM-JAY). The form includes fields for Aadhaar Address (House Number/Village: 12XX ShivXXXX, Pincode: 124001, State: Haryana, District: Rohtak), Current Address (House Number: 12XX ShivXXXX, State: Haryana, District: Rohtak), Email (YoXXXX@gmail.com), and Mobile No\*. A note on the screen states: "Note: Once the Email ID is verified successfully, this checkmark will turn green after the complete form is filled and submitted." The checkbox next to this note is checked and highlighted with a red border. Below the form is a section titled "Add Role Details". At the bottom of the page, there are links for "Forgot Password" and "Create New Account".

### Step 21:

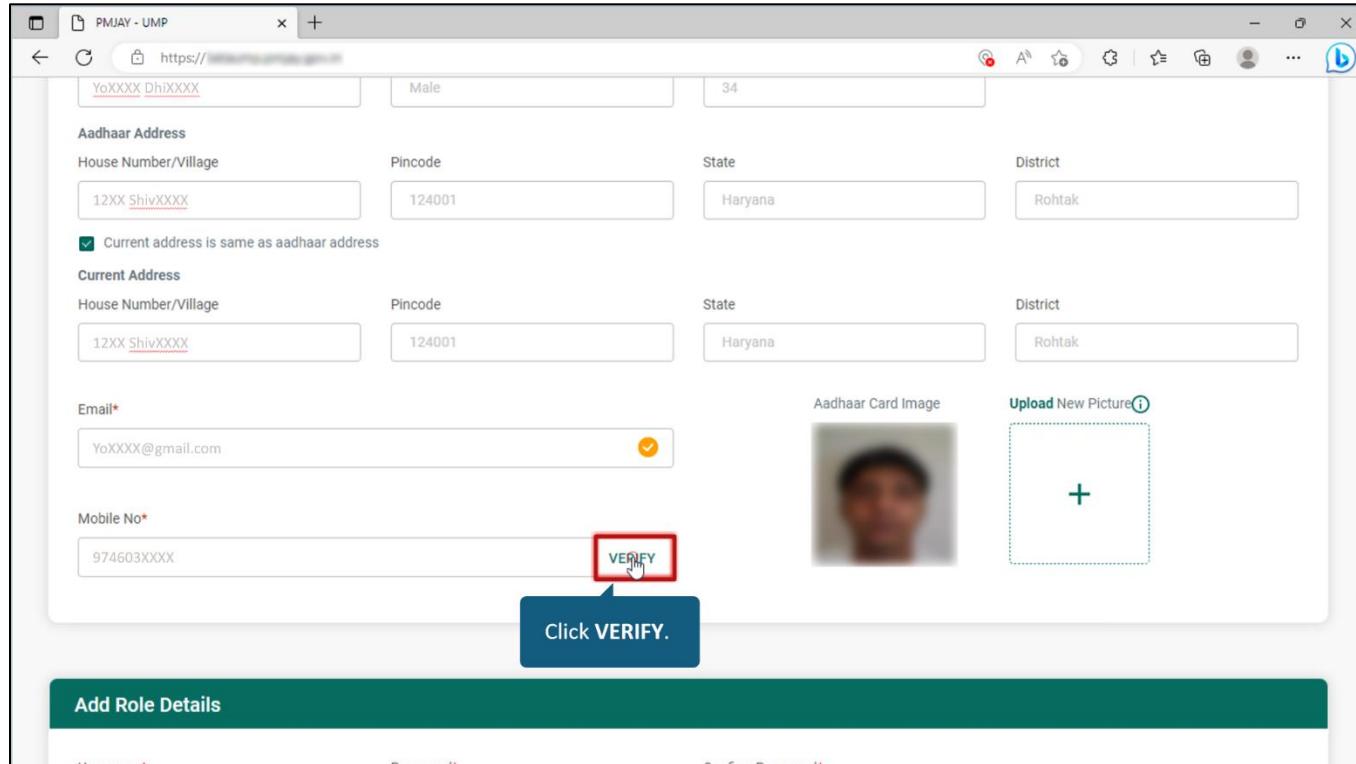

Enter your mobile number.

The screenshot shows a web browser window for the PMJAY UMP application. The URL in the address bar is https://pmjay-ump.gov.in. The form is divided into two sections: Aadhaar Address and Current Address. Both sections include fields for House Number/Village, Pincode, State, and District. Under Aadhaar Address, the values are 12XX ShivXXXX, 124001, Haryana, and Rohtak. Under Current Address, the values are 12XX ShivXXXX, 124001, Haryana, and Rohtak. A checkbox labeled "Current address is same as aadhaar address" is checked. Below these sections are fields for Email (YojXXXX@gmail.com) and Mobile No\*. The "Mobile No\*" field contains the number 974603XXXX and has a red border around it, indicating it is the current focus. To the right of the mobile number field is a "VERIFY" button. To the right of the email field is a placeholder for an Aadhaar Card Image, showing a blurred face. Below the image is a button labeled "Upload New Picture". At the bottom of the form, there is a blue button labeled "Enter your mobile number." and a green button labeled "Add Role Details".

## Step 22:

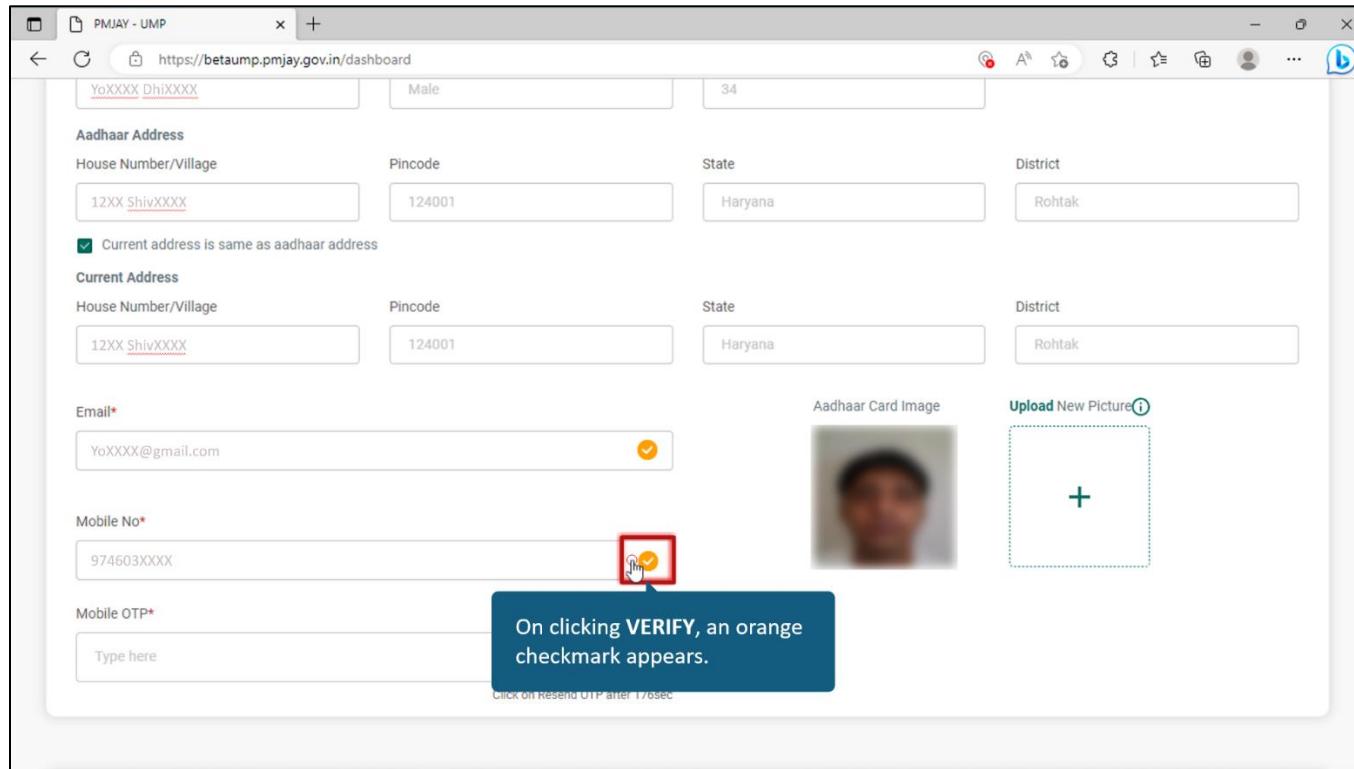

And click **VERIFY**.

The screenshot shows a web browser window titled "PMJAY - UMP" with the URL "https://...". The form is divided into two sections: "Aadhaar Address" and "Current Address". Both sections have fields for "House Number/Village", "Pincode", "State", and "District", all filled with placeholder values like "12XX ShivXXXX", "124001", "Haryana", and "Rohtak". A checkbox "Current address is same as aadhaar address" is checked. Below these are "Email\*" and "Mobile No\*" fields, both containing placeholder values ("YoXXXX@gmail.com" and "974603XXXX"). To the right is an "Aadhaar Card Image" placeholder with a blurred face and an "Upload New Picture" button. A large blue button at the bottom center contains the text "Click VERIFY." with a red arrow pointing to the "VERIFY" button above it. At the very bottom, there is a green bar with the text "Add Role Details" and three input fields labeled "User Name\*", "Password\*", and "Confirm Password\*".

### Step 23:

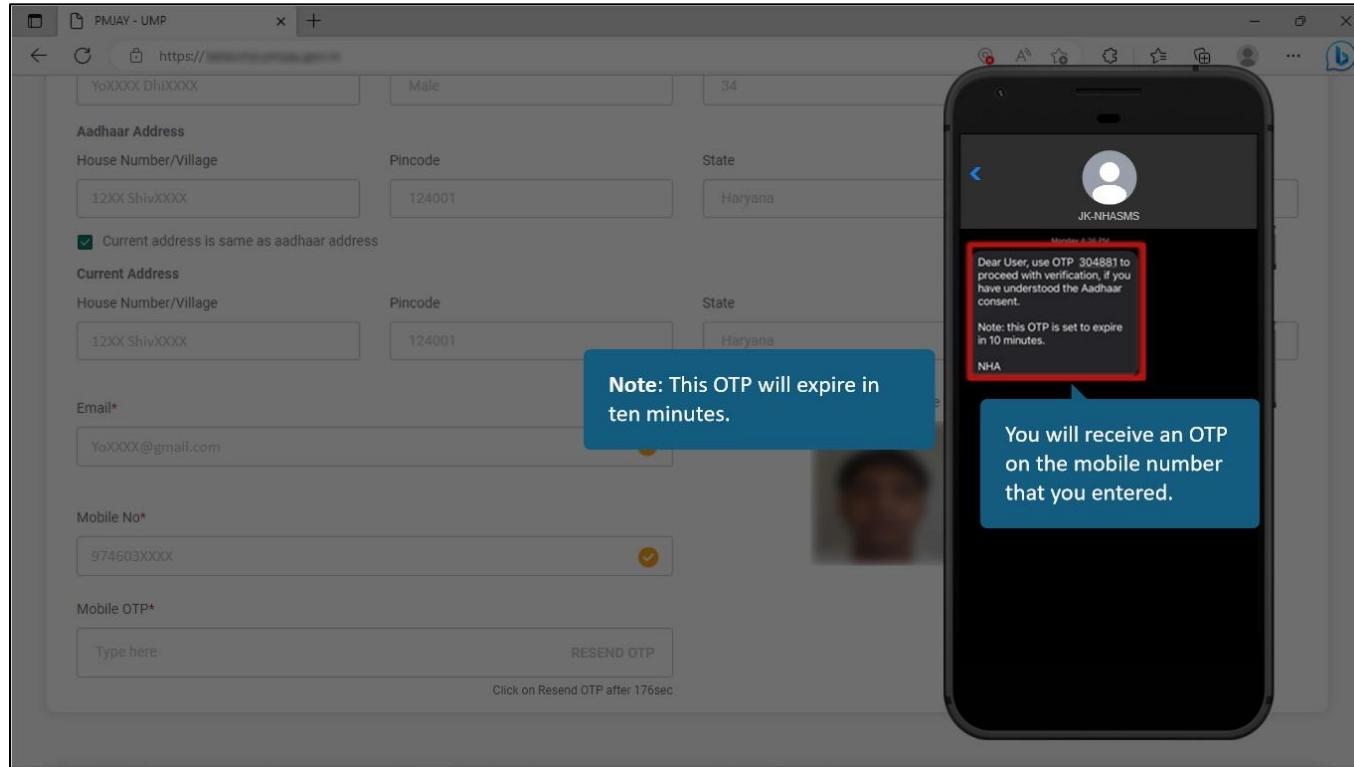

An orange checkmark appears.

The screenshot shows a web browser window titled "PMJAY - UMP" with the URL "https://betaump.pmjay.gov.in/dashboard". The page displays personal information fields: Name (YoXXXX DhiXXXX), Gender (Male), and Age (34). Under "Aadhaar Address", the address is filled with House Number/Village (12XX ShivXXXX), Pincode (124001), State (Haryana), and District (Rohtak). A checked checkbox indicates "Current address is same as aadhaar address". Under "Current Address", the same details are repeated. An "Email\*" field contains "YoXXXX@gmail.com" with an orange checkmark icon next to it. An "Aadhaar Card Image" placeholder shows a blurred face. An "Upload New Picture" button with a plus sign is visible. A "Mobile No\*" field contains "974603XXXX". A "Mobile OTP\*" field has "Type here". A blue callout box with white text and a red border is positioned over the "VERIFY" button, stating: "On clicking VERIFY, an orange checkmark appears." Below the callout, a small note says "Click on Resend OTP after 17sec".

### Step 24:

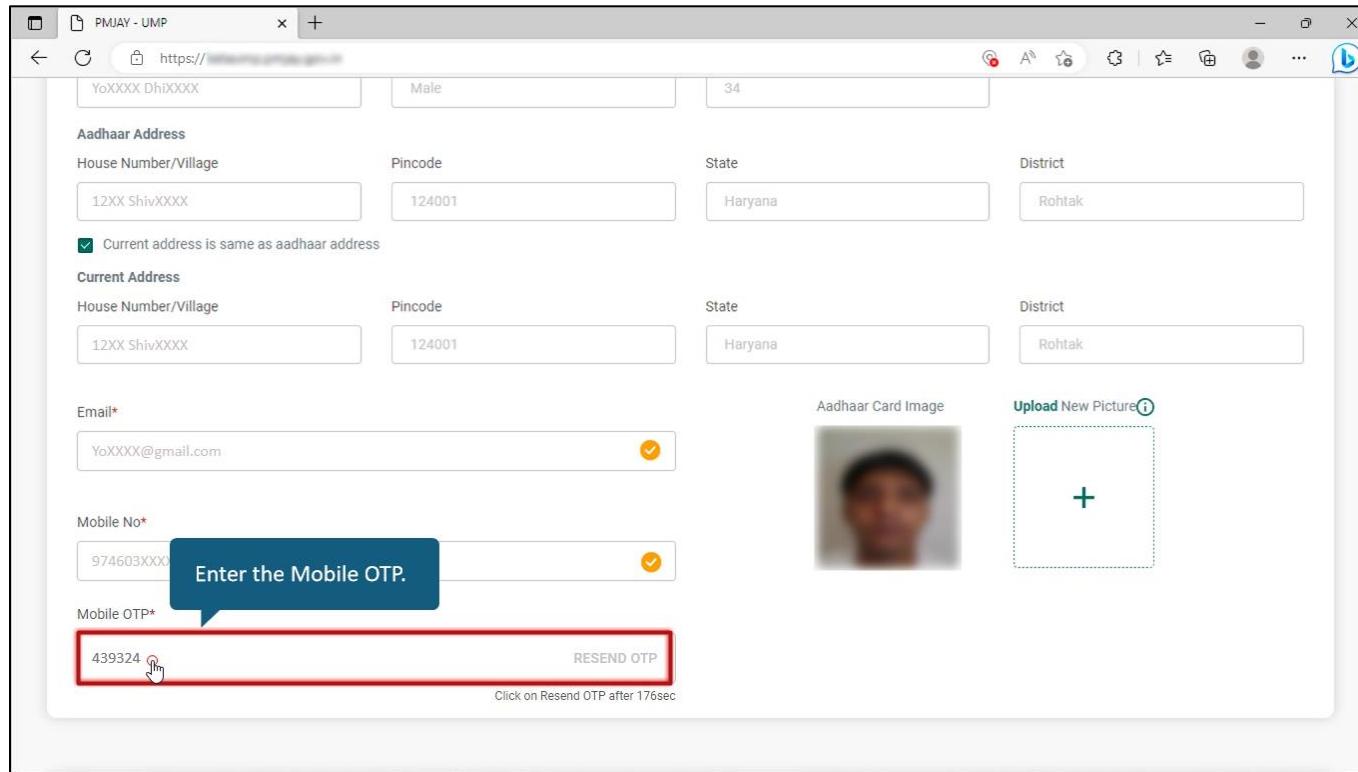

You will also receive an OTP on the mobile number that you entered. This OTP will expire in ten minutes.

The screenshot shows a web browser window for the PMJAY UMP application. The user has filled in their Aadhaar details: YoXXXX DhiXXXX, Male, 34. Under 'Aadhaar Address', they have entered House Number/Village (12XX ShivXXXX), Pincode (124001), and State (Haryana). A checked checkbox indicates 'Current address is same as aadhaar address'. Below this, under 'Current Address', they have re-entered the same information. A blue callout box contains the text: 'Note: This OTP will expire in ten minutes.' On the right side of the screen, there is a large smartphone icon displaying a message from 'JK-NHASMS' dated 'Monday, 4-10-19'. The message reads: 'Dear User, use OTP 304881 to proceed with verification, if you have understood the Aadhaar consent. Note: this OTP is set to expire in 10 minutes. NHA'. A red box highlights the expiration note. Another blue callout box points to this message with the text: 'You will receive an OTP on the mobile number that you entered.'

### Step 25:

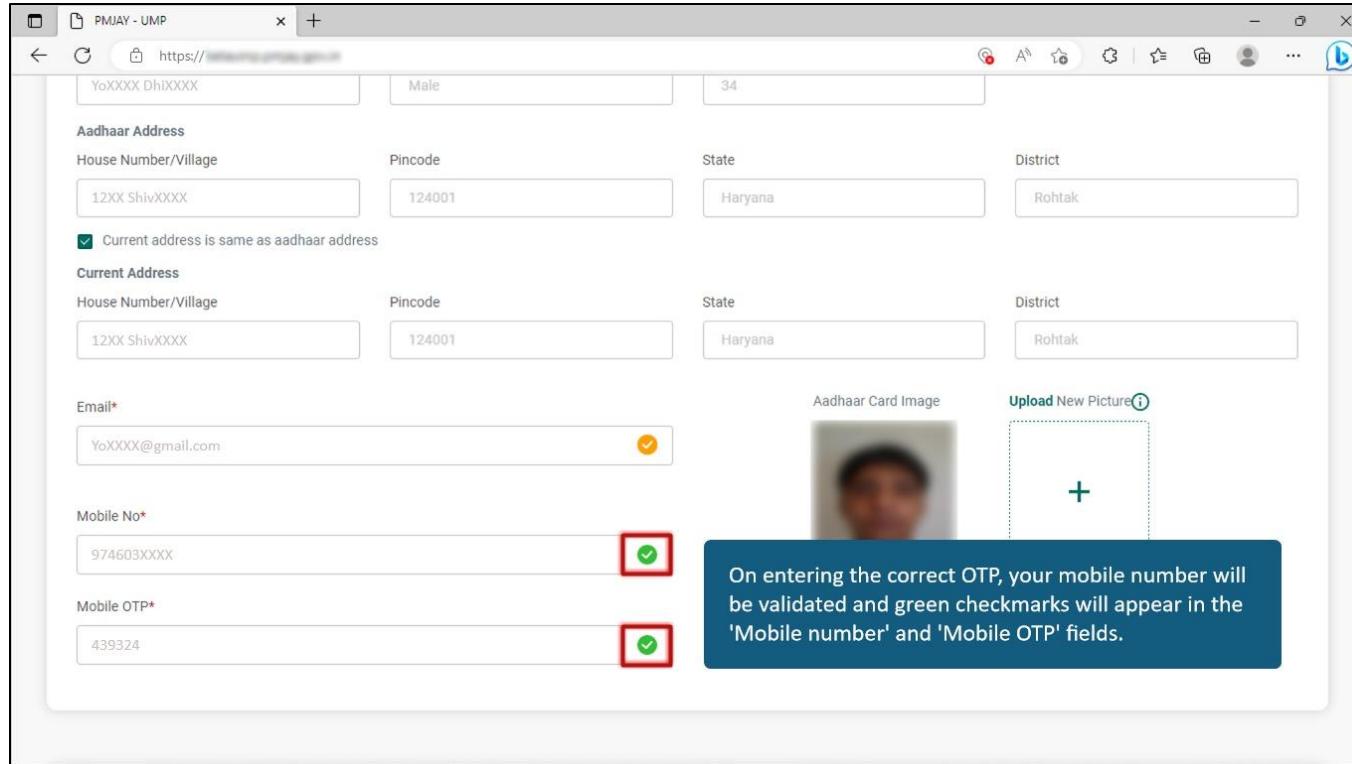

Enter the Mobile OTP.

The screenshot shows a web browser window for the PMJAY UMP application. The form is divided into two sections: Aadhaar Address and Current Address. Both sections include fields for House Number/Village, Pincode, State, and District, with identical values (12XXX ShivXXXX, 124001, Haryana, Rohtak). A checkbox indicates that the current address is the same as the Aadhaar address. Below these are fields for Email (YoXXXX@gmail.com) and Mobile No\* (974603XXXX). A large blue button labeled "Enter the Mobile OTP." is prominently displayed. To its right is a placeholder for the Aadhaar Card Image, showing a blurred face, and an "Upload New Picture" button. At the bottom, a red-bordered input field contains the OTP "439324" with a copy icon, and a "RESEND OTP" button. A small note below the resend button says "Click on Resend OTP after 176sec".

### Step 26:

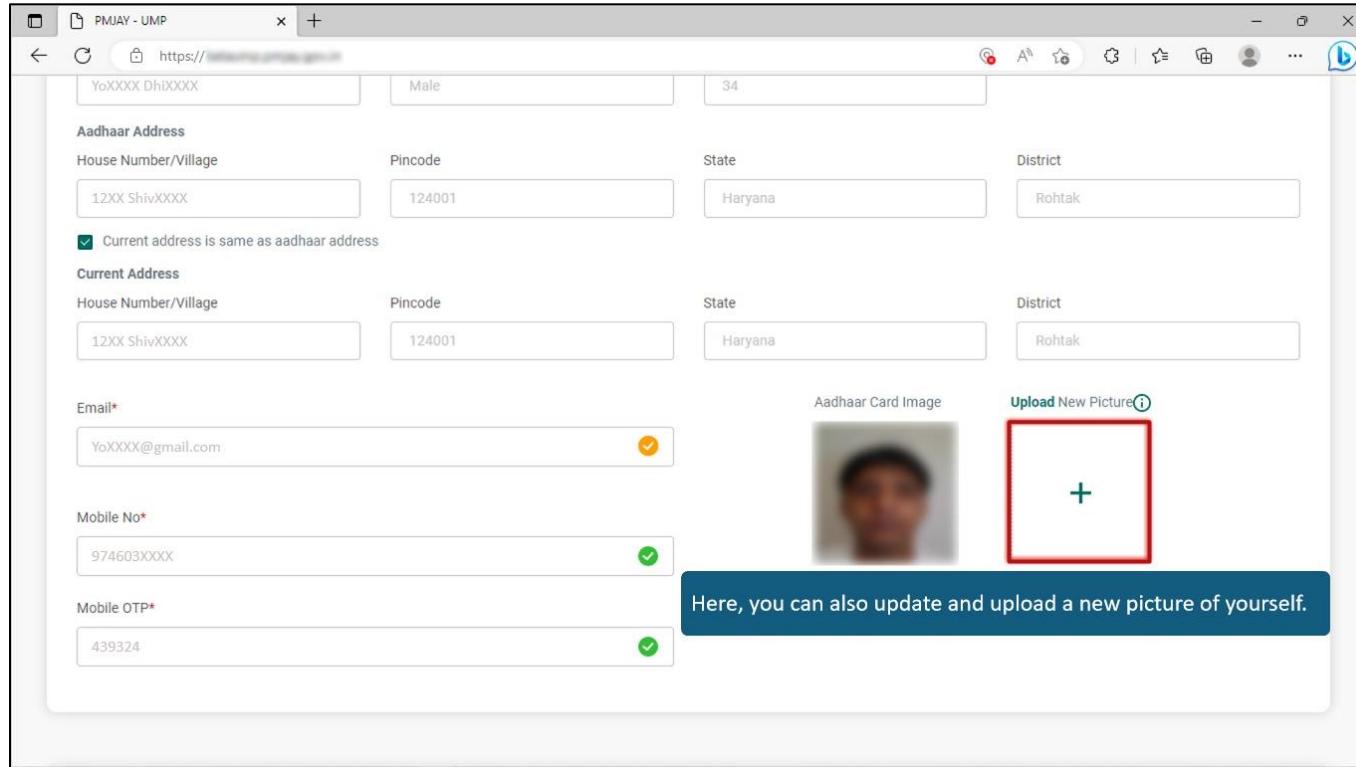

On entering the correct OTP, your mobile number will be validated and green checkmarks will appear in the 'Mobile number' and 'Mobile OTP' fields.

The screenshot shows a web browser window for the PMJAY UMP application. The form includes fields for Aadhaar Address (House Number/Village: 12XX ShivXXXX, Pincode: 124001, State: Haryana, District: Rohtak), Current Address (House Number/Village: 12XX ShivXXXX, Pincode: 124001, State: Haryana, District: Rohtak), Email (YoXXXX@gmail.com), Aadhaar Card Image (a blurred photo of a person's face), and Upload New Picture (a dashed box with a plus sign). Below these fields are two input fields: Mobile No\* (974603XXXX) and Mobile OTP\* (439324). A red square checkbox next to the mobile number field contains a green checkmark, indicating validation. A blue square checkbox next to the mobile OTP field also contains a green checkmark. A callout box with a dark blue background and white text states: "On entering the correct OTP, your mobile number will be validated and green checkmarks will appear in the 'Mobile number' and 'Mobile OTP' fields."

### Step 27:

Here, you can also update and upload a new picture of yourself.

The screenshot shows a web browser window for the PMJAY - UMP application. The page displays personal information and address details. At the bottom right, there is a callout box with the text "Here, you can also update and upload a new picture of yourself." and a red-bordered area for uploading a new picture.

Aadhaar Address			
House Number/Village	Pincode	State	District
12XX ShivXXXX	124001	Haryana	Rohtak

Current address is same as aadhaar address

Current Address			
House Number/Village	Pincode	State	District
12XX ShivXXXX	124001	Haryana	Rohtak

Email\*  
YoXXXX@gmail.com

Aadhaar Card Image

Upload New Picture 

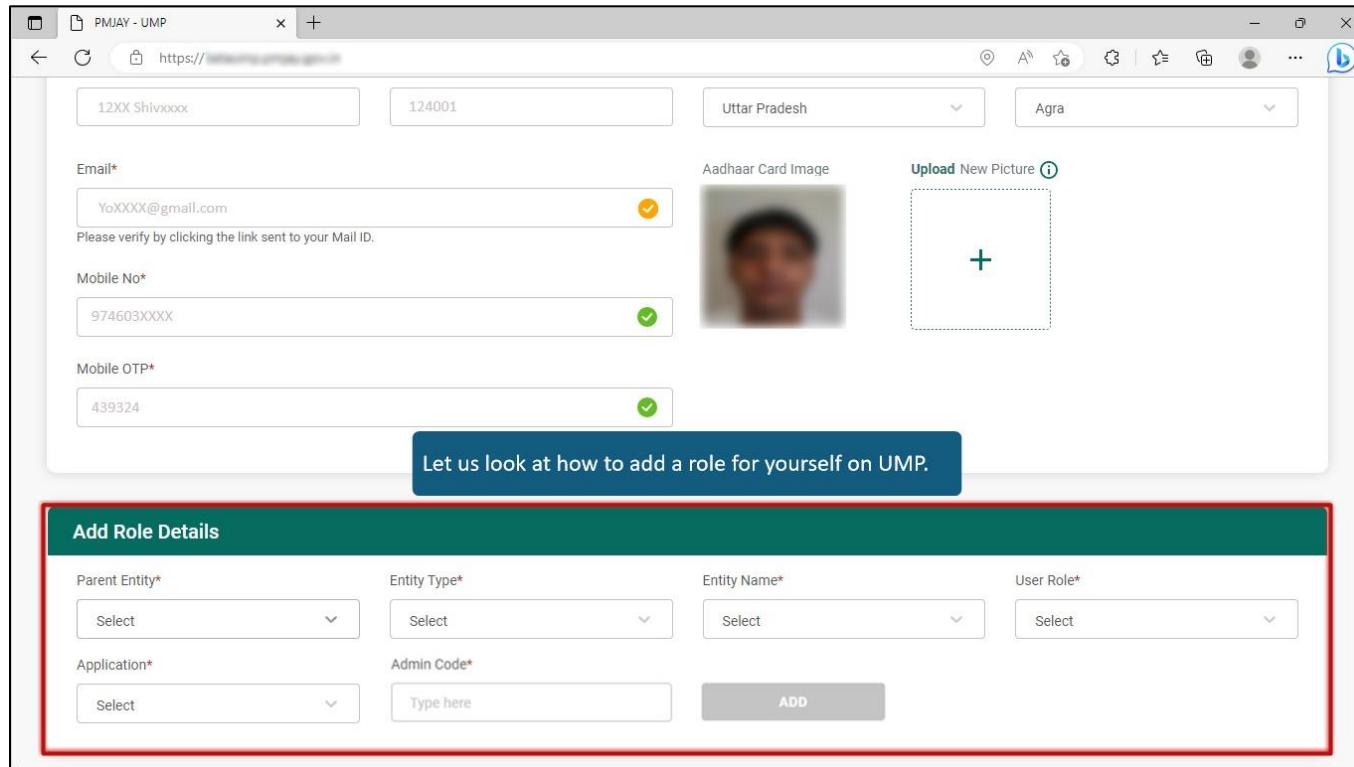

Mobile No\*  
974603XXXX

Mobile OTP\*  
439324

Here, you can also update and upload a new picture of yourself.

### Step 28:

Next, let us look at how to add a role for yourself on UMP.

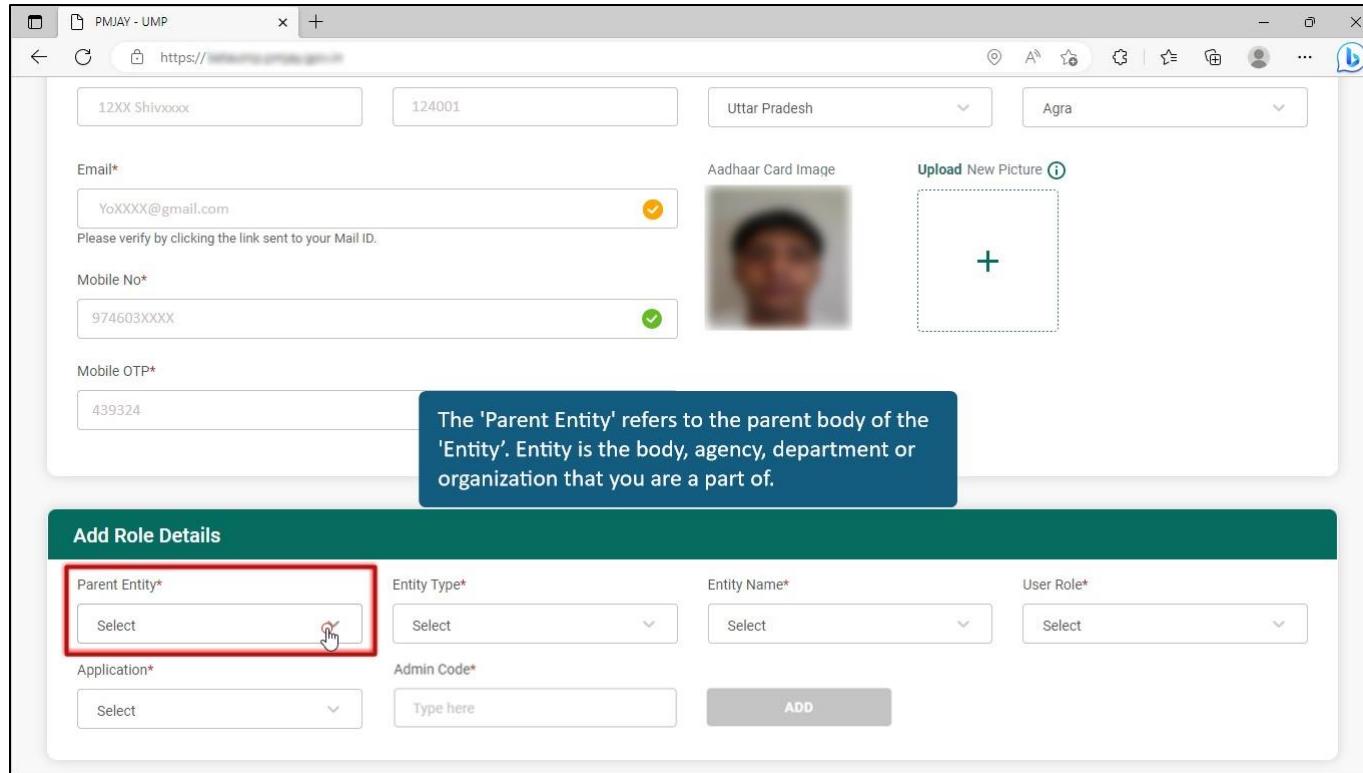

The screenshot shows a web browser window for the PMJAY - UMP platform. At the top, there are input fields for Aadhaar Number (12XX Shivxxxx), Pincode (124001), State (Uttar Pradesh), and City (Agra). Below these are fields for Email (YoXXXX@gmail.com), Mobile No. (974603XXXX), and Mobile OTP (439324). To the right of the email field is a placeholder for an Aadhaar Card Image with an 'Upload New Picture' button. A blurred profile picture is shown. A message box at the bottom says "Let us look at how to add a role for yourself on UMP." A red box highlights the "Add Role Details" section, which contains fields for Parent Entity, Entity Type, Entity Name, User Role, Application, and Admin Code, along with an "ADD" button.

### Step 29:

In the 'Add Role Details' section, let us start by adding the parent entity of the organization or agency that you work for.

Here, the 'Parent Entity' refers to the parent body of the Entity. Entity is the body, agency, department, or organization that you are a part of.

The 'Parent Entity' refers to the parent body of the 'Entity'. Entity is the body, agency, department or organization that you are a part of.

**Add Role Details**

Admin Code\*

Type here

ADD

For example, if you belong to a hospital, or Insurance Company or Card Creation Agency in the state of Haryana, your parent entity would be 'SHA-Haryana'.

The screenshot shows a web browser window titled "PMJAY - UMP". At the top, there is a "Mobile OTP\*" field containing "439324" with a green checkmark. Below this is a "Add Role Details" form. The "Parent Entity\*" dropdown is highlighted with a red box and contains the following options: SHA Chandigarh, SHA DNH and DD, SHA Goa, SHA Gujarat, SHA HP, SHA HR (which is selected and highlighted with a blue background), SHA JH, and SHA JK. To the right of the dropdown are fields for "Entity Type\*", "Entity Name\*", and "User Role\*", each with a "Select" button. Below these is an "Admin Code\*" input field with a placeholder "Type here" and an "ADD" button. A modal message box is displayed in the center of the form area, containing the text: "For example, if you belong to a hospital, Insurance Company or Card Creation Agency in the state of Haryana, your parent entity would be 'SHA HR'." The entire "Add Role Details" form is set against a dark teal header bar.

Select	Type here	Type Here	Type here

Common Passwords

### Step 34:

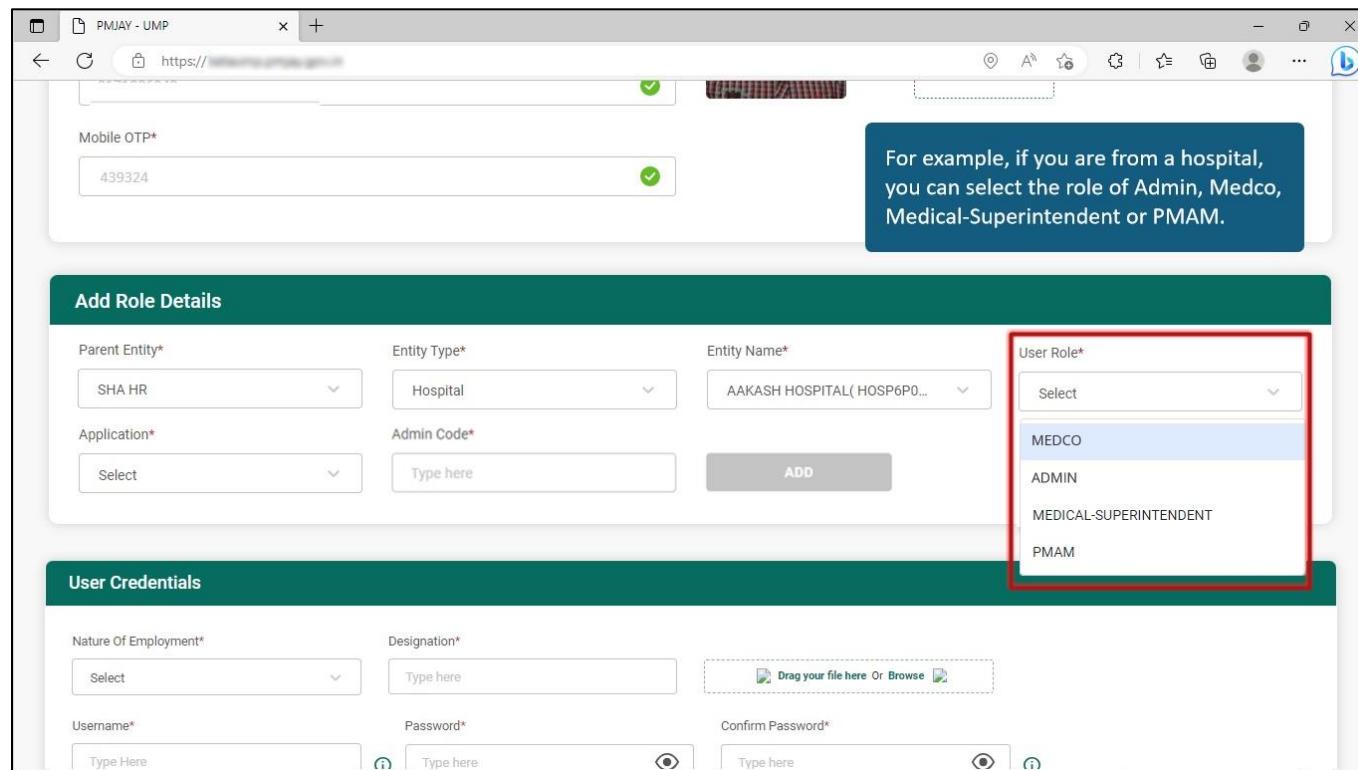

Next, select the role with which you work at your entity.

The screenshot shows a web-based application for managing user roles. At the top, there is a header bar with the text "PMJAY - UMP" and a URL "https://". Below the header, there is a "Mobile OTP\*" field containing "439324" with a green checkmark icon. A large blue callout box with white text says "Select the role with which you work at your entity." The main form has a green header "Add Role Details". It contains several input fields: "Parent Entity\*" (dropdown menu showing "SHA HR"), "Entity Type\*" (dropdown menu showing "Hospital"), "Entity Name\*" (dropdown menu showing "AAKASH HOSPITAL( HOSP6P0... )"), "User Role\*" (dropdown menu with a red border and a cursor icon pointing to it), "Application\*" (dropdown menu showing "Select"), "Admin Code\*" (text input field "Type here"), and an "ADD" button. Below this, there is another section with a green header "User Credentials" containing fields for "Nature Of Employment\*", "Designation\*", "Username\*", "Password\*", and "Confirm Password\*".

### Step 35:

For example, if you work at the hospital, you can select either of the following roles: Admin, Medco, Medical-Superintendent or PMAM.

Mobile OTP\*

439324

For example, if you are from a hospital,  
you can select the role of Admin, Medco,  
Medical-Superintendent or PMAM.

**Add Role Details**

Parent Entity\* SHA HR

### Step 37:

The drop-down lists all the applications that are linked to the selected entity and role.

The screenshot shows a web-based application interface titled "Add Role Details". At the top, there is a "Mobile OTP\*" field containing "439324" with a green checkmark icon. Below this is a section for "Add Role Details" with fields for "Parent Entity\*", "Entity Type\*", "Entity Name\*", and "User Role\*". The "Parent Entity\*" dropdown is set to "SHA HR", "Entity Type\*" is "Hospital", "Entity Name\*" is "AAKASH HOSPITAL( HOSP6P0...)", and "User Role\*" is "MEDCO". The "Application\*" dropdown is highlighted with a red border and contains the following options: "Select", "UMP", "HEM", "TMS Provider", "BIS", "IT Helpdesk", and "CGRMS". The "TMS Provider" option is currently selected and highlighted with a blue background. A tooltip message "The application drop-down lists all the applications that are linked to the selected entity and role." is displayed over the dropdown. Other fields in the form include "Admin Code\*", "Designation\*", "Password\*", "Confirm Password\*", and file upload fields for "Type here" and "Drag your file here Or Browse".

In this example, let's assume as a Medco from the Aakash hospital, you want to access the TMS Provider application.

PMJAY - UMP

### Step 38:

Now, enter the admin code. This code is available with the admin of the entity that you belong to. It is an 8 digit alphanumeric code, that is unique for each application and entity and changes every week.

If you select the role of an 'Admin' then your parent entity admin will have to share the admin code with you.

The screenshot shows a web browser window titled "PMJAY - UMP" with the URL "https://". The page contains two main sections: "Add Role Details" and "User Credentials".

**Add Role Details:**

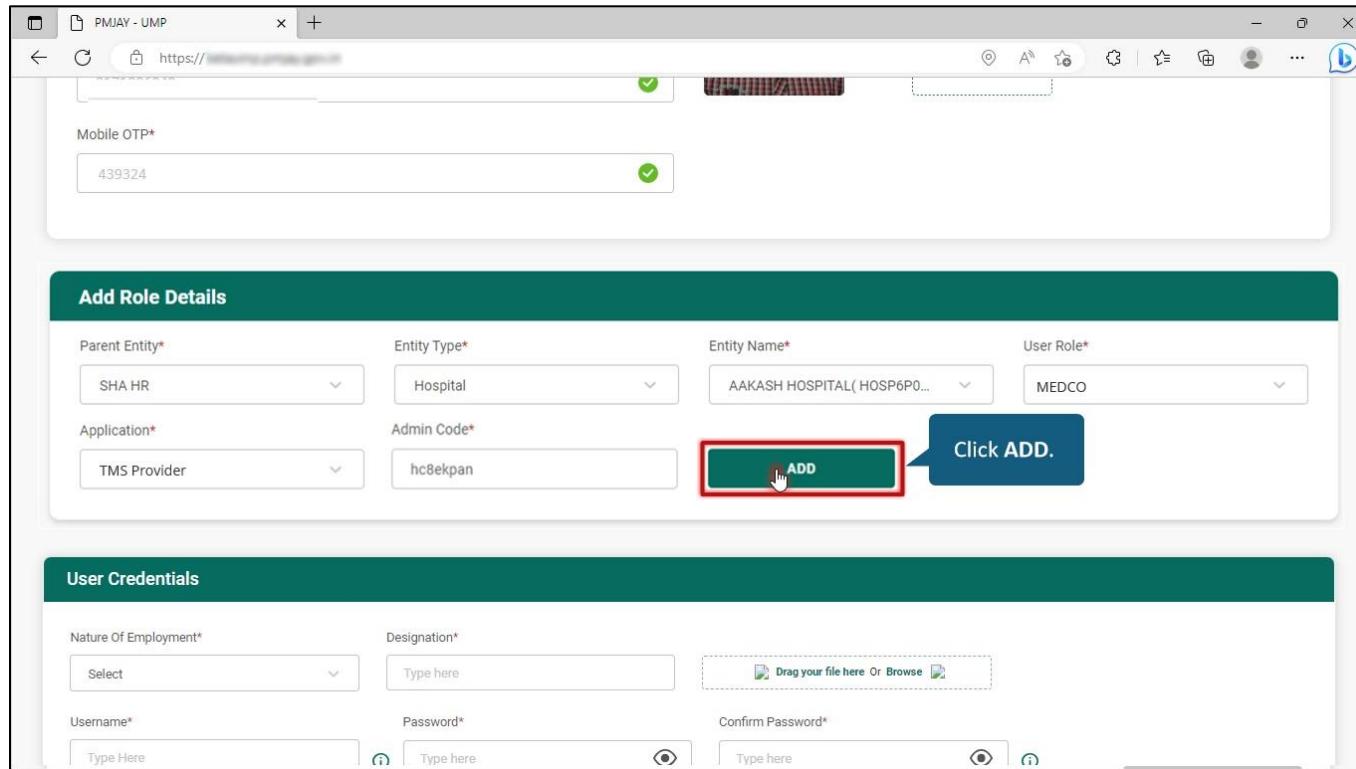

- Mobile OTP\*: 439324 (verified)
- Parent Entity\*: SHA HR
- Entity Type\*: Hospital
- Entity Name\*: AAKASH HOSPITAL( HOSP6P0... )
- User Role\*: MEDCO
- Application\*: TMS Provider
- Admin Code\*: hc8ekpan
- ADD** button
- Enter the admin code.** button (highlighted in blue)

**User Credentials:**

- Nature Of Employment\*: Select
- Designation\*: Type here
- Drag your file here Or Browse
- Username\*: Type Here
- Password\*: Type here
- Confirm Password\*: Type here

### Step 39:

Next, click the **ADD** button.

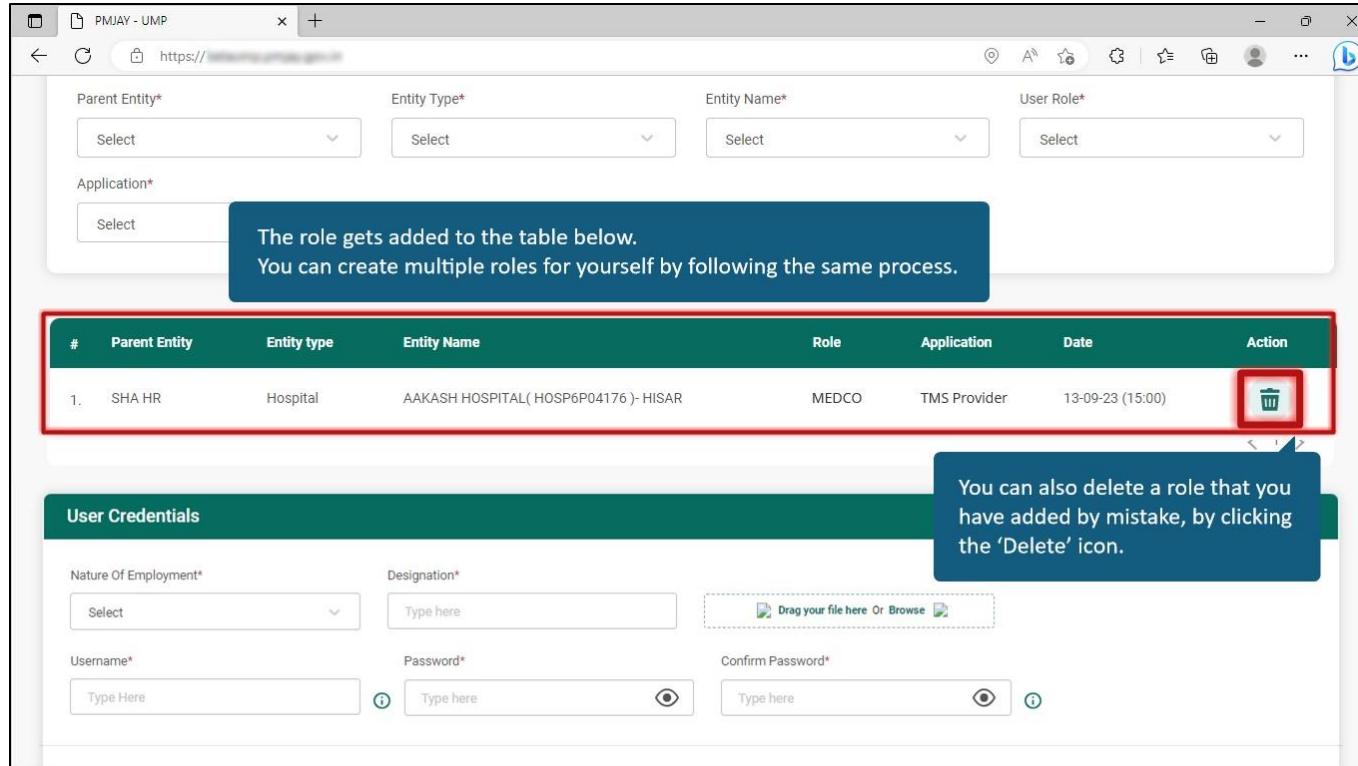

The screenshot shows a web browser window for the PMJAY UMP application. At the top, there is a mobile OTP input field containing '439324' with a green checkmark icon. Below this, the main form has a dark green header 'Add Role Details'. It contains several input fields: 'Parent Entity\*' (SHA HR), 'Entity Type\*' (Hospital), 'Entity Name\*' (AAKASH HOSPITAL (HOSP6P0...)), 'User Role\*' (MEDCO), 'Application\*' (TMS Provider), and 'Admin Code\*' (hc8ekpan). To the right of the Admin Code field is a large green 'ADD' button with a white hand cursor icon. A blue speech bubble with the text 'Click ADD.' is positioned next to the button. Below the 'Add Role Details' section is another dark green header 'User Credentials'. It includes fields for 'Nature Of Employment\*' (Select), 'Designation\*' (Type here), a file upload area ('Drag your file here Or Browse'), 'Username\*' (Type Here), 'Password\*' (Type here with eye icon), and 'Confirm Password\*' (Type here with eye icon).

#### Step 40:

The role gets added to the table below.

You can also delete a role that you have added by mistake by clicking the 'Delete' icon.

The role gets added to the table below.  
You can create multiple roles for yourself by following the same process.

#	Parent Entity	Entity type	Entity Name	Role	Application	Date	Action
1.	SHA HR	Hospital	AAKASH HOSPITAL(HOSP6P04176)- HISAR	MEDCO	TMS Provider	13-09-23 (15:00)	

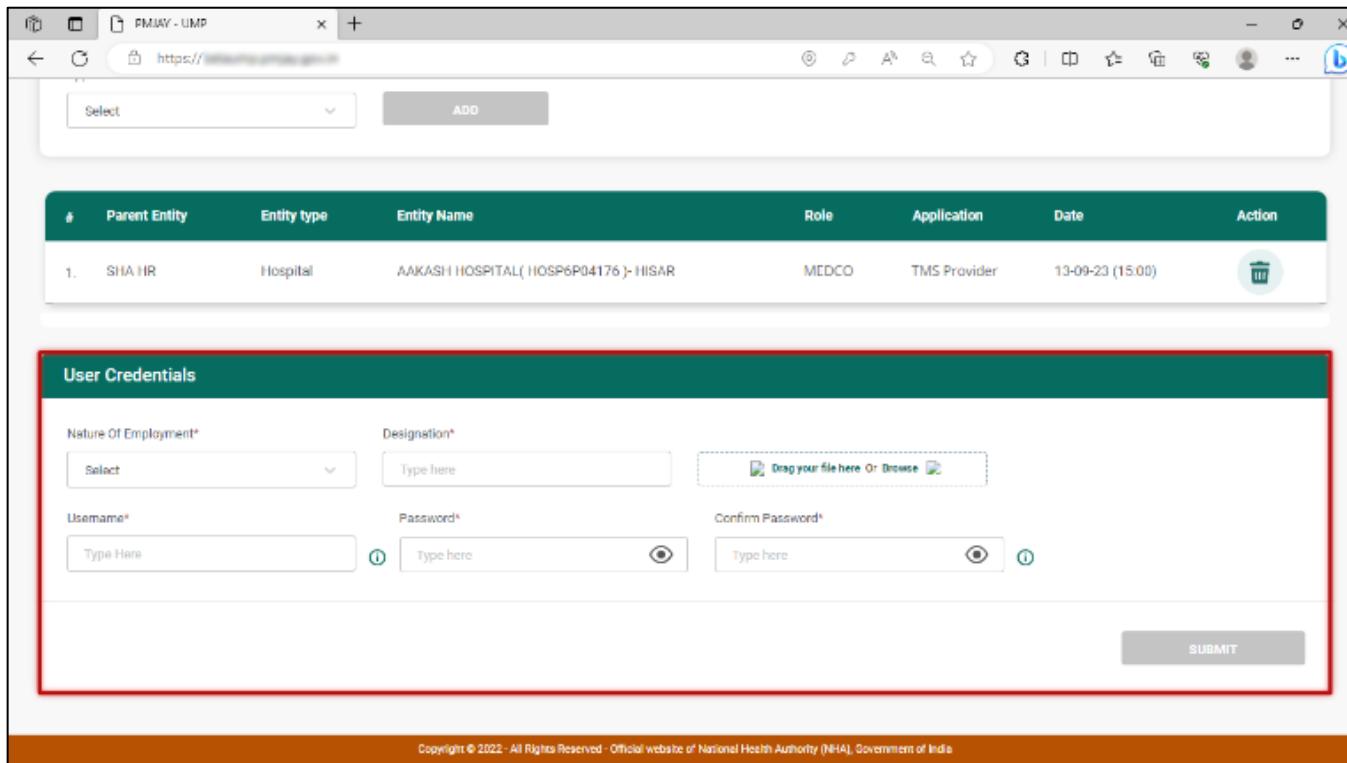

You can also delete a role that you have added by mistake, by clicking the 'Delete' icon.

**User Credentials**

Nature Of Employment\*      Designation\*  
           

Username\*      Password\*      Confirm Password\*  
           

Lastly, let us look at how to create your credentials on UMP.

The screenshot shows a web browser window for the National Health Authority (NHA) platform. The main header bar displays the URL <https://nha.gov.in/ump>. Below the header, there is a table listing a single entity entry:

#	Parent Entity	Entity type	Entity Name	Role	Application	Date	Action
1.	SHA HIR	Hospital	AAKASH HOSPITAL( HOSP6P04176 )- HISAR	MEDCO	TMS Provider	13-09-23 (15:00)	

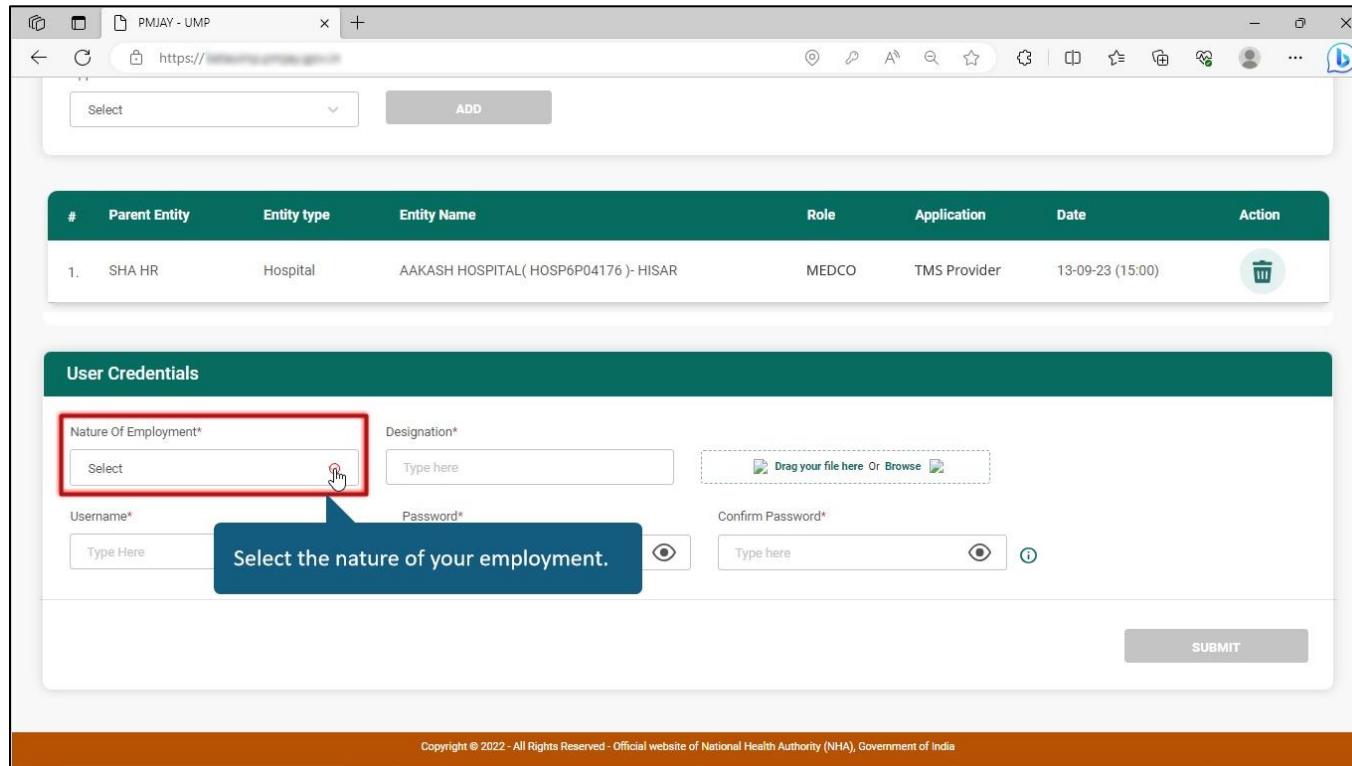

Below this table, a red-bordered box highlights the "User Credentials" section. This section contains the following fields:

- Nature Of Employment\*: A dropdown menu labeled "Select".
- Designation\*: An input field labeled "Type here".
- File Upload: A box with the placeholder "Drag your file here Or Browse" and a browse button.
- Username\*: An input field labeled "Type Here".
- Password\*: An input field with a password strength indicator icon.
- Confirm Password\*: An input field with a password strength indicator icon.

At the bottom right of the "User Credentials" section is a "SUBMIT" button. The footer of the page includes the copyright notice: "Copyright © 2022 - All Rights Reserved - Official website of National Health Authority (NHA), Government of India".

### Step 41:

Select the nature of employment from the drop-down list.

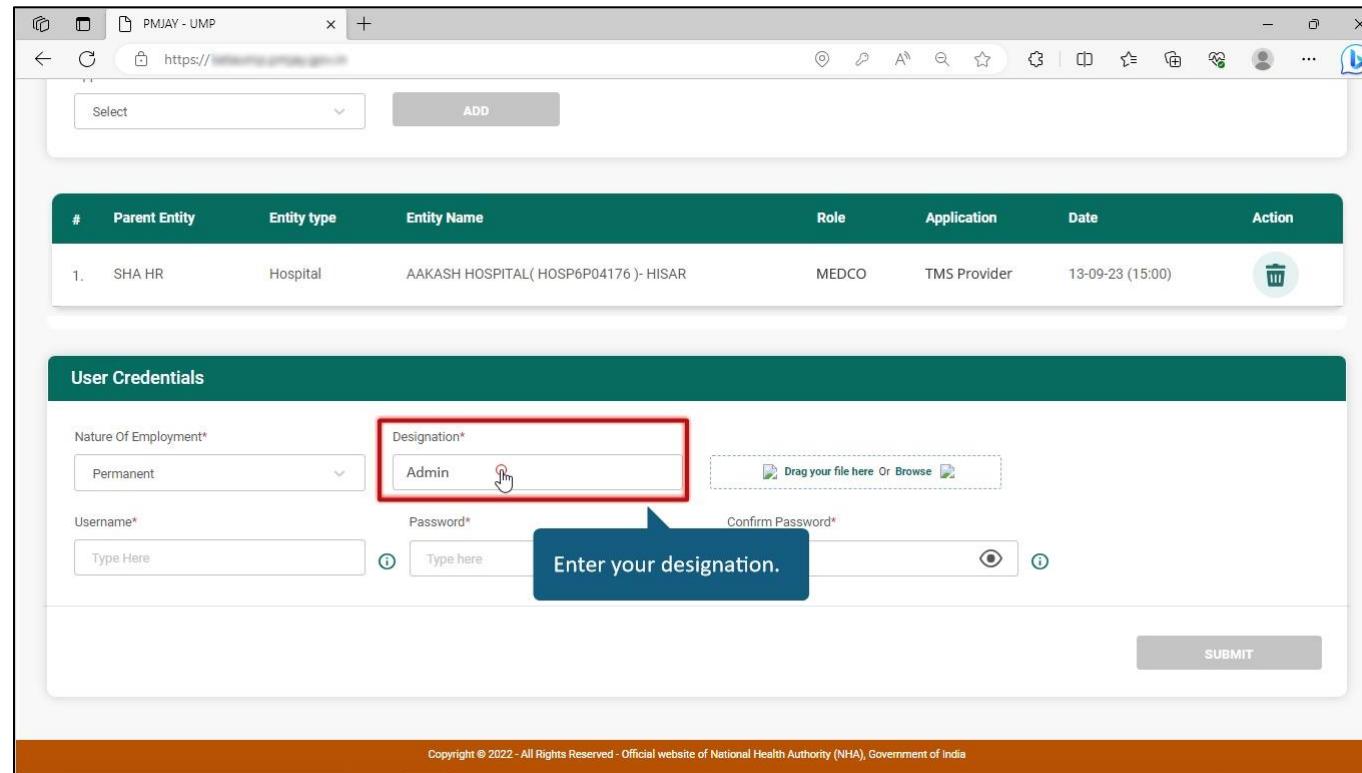

The screenshot shows a web browser window titled "PMJAY - UMP". At the top, there is a search bar with "Select" and an "ADD" button. Below this is a table with columns: #, Parent Entity, Entity type, Entity Name, Role, Application, Date, and Action. One row is visible: "1. SHA HR Hospital AAKASH HOSPITAL( HOSP6P04176 )- HISAR MEDCO TMS Provider 13-09-23 (15:00) ".

The main form area has a green header "User Credentials". It contains fields for "Nature Of Employment\*", "Designation\*", "Username\*", "Password\*", "Confirm Password\*", and "SUBMIT" button. A tooltip "Select the nature of your employment." is overlaid on the "Nature Of Employment\*" field. The "Nature Of Employment\*" field is highlighted with a red border and a cursor is hovering over it.

At the bottom of the page, there is a copyright notice: "Copyright © 2022 - All Rights Reserved - Official website of National Health Authority (NHA), Government of India".

### Step 42:

Next, enter your designation.

The screenshot shows a web browser window titled "PMJAY - UMP". The URL bar shows "https://". The main content area displays a table of entity information and a "User Credentials" form.

#	Parent Entity	Entity type	Entity Name	Role	Application	Date	Action
1.	SHA HR	Hospital	AAKASH HOSPITAL(HOSP6P04176)- HISAR	MEDCO	TMS Provider	13-09-23 (15:00)	

**User Credentials**

#### Step 44:

Next, set your username. This username will be your login ID for accessing PM-JAY applications. Further, the system also suggests possible usernames.

The screenshot shows a web browser window titled "PMJAY - UMP" with the URL "https://...". The main content area displays a table of entity information:

#	Parent Entity	Entity type	Entity Name	Role	Application	Date	Action
1.	SHA HR	Hospital	AAKASH HOSPITAL (HOSP04176) - HISAR	MEDCO	TMS Provider	13-09-23 (15:00)	

Below the table, a "User Credentials" section is visible. It includes fields for "Nature Of Employment\*" (Permanent), "Designation\*" (Admin), and "Username\*". The "Username\*" field is highlighted with a red border. A blue callout box contains the text: "This username will be your login ID for accessing PM-JAY applications." Another blue callout box below it says: "The system also suggests possible usernames." A "SUBMIT" button is located at the bottom right of this section. At the very bottom of the page, there is a copyright notice: "Copyright © 2022 - All Rights Reserved - Official website of National Health Authority (NHA), Government of India".

#### **Step 45:**

The rules for creating the username are as follows.

- It should be at least 8 characters long.
- It can contain a combination of alphabets, numerals and special characters.
- It should not begin with a number or special character.
- It should not end with a special character.
- The special characters should not appear consecutively.

### Step 47:

Now, enter a password of your choice.

The screenshot shows a web browser window titled "PMJAY - UMP" displaying a user management interface. At the top, there is a search bar with a dropdown menu labeled "Select" and a button labeled "ADD". Below this is a table with columns: #, Parent Entity, Entity type, Entity Name, Role, Application, Date, and Action. One row is listed: "1. SHA HR Hospital AAKASH HOSPITAL( HOSP6P04176 )- HISAR MEDCO TMS Provider 13-09-23 (15:00) .

In the center, there is a "User Credentials" section with the following fields:

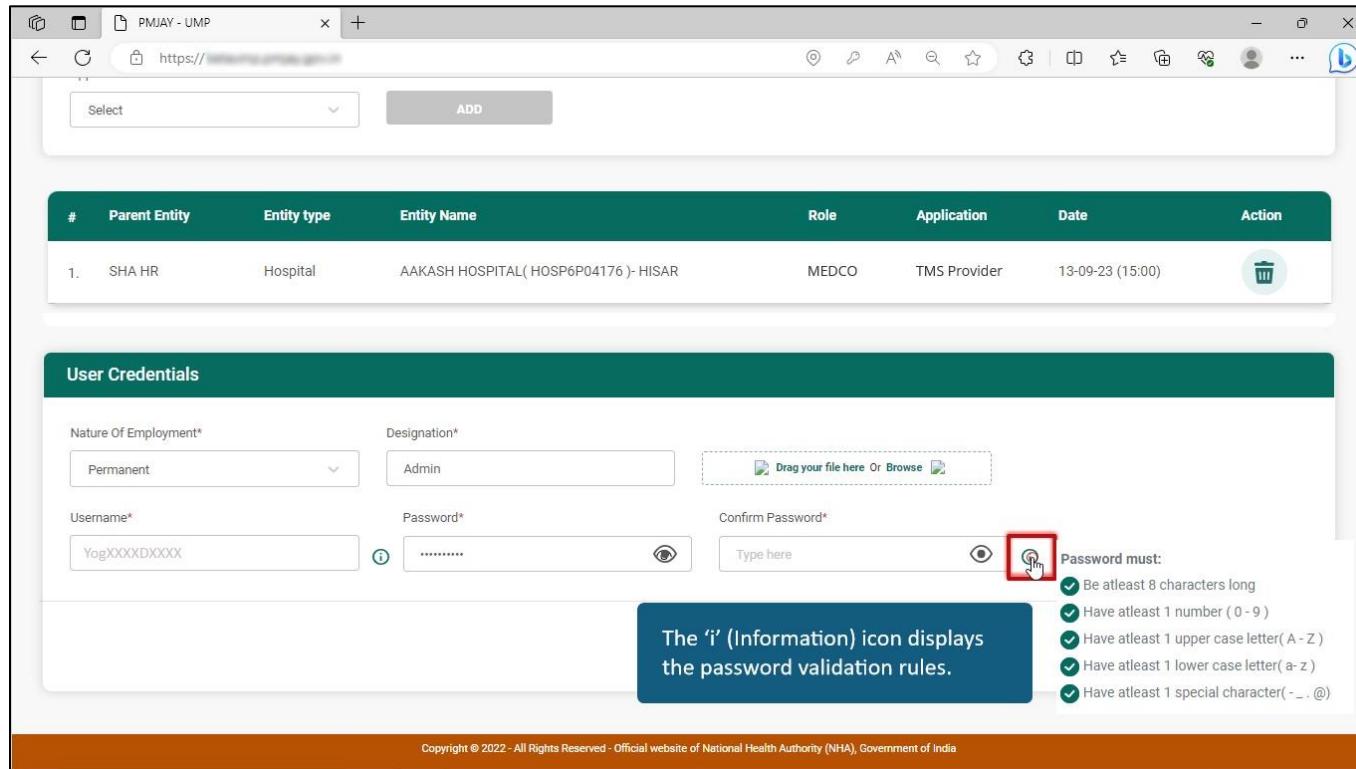

- Nature Of Employment\*: Permanent
- Username\*: YogXXXXXXXX
- Password\*:  (The password field is highlighted with a red border.)
- Confirm Password\*:

A blue callout bubble above the password field says "Enter a password of your choice." To the right of the password field is a file upload area with the placeholder "Drag your file here Or Browse".

At the bottom right of the credentials section is a "SUBMIT" button. The footer of the page contains the copyright notice: "Copyright © 2022 - All Rights Reserved - Official website of National Health Authority (NHA), Government of India".

### Step 48:

The 'i' icon displays the password validation rules.

The screenshot shows a web-based application interface for managing entities. At the top, there's a header bar with a dropdown menu labeled "Select" and a "ADD" button. Below this is a table listing entities:

#	Parent Entity	Entity type	Entity Name	Role	Application	Date	Action
1.	SHA HR	Hospital	AAKASH HOSPITAL( HOSP6P04176 )- HISAR	MEDCO	TMS Provider	13-09-23 (15:00)	

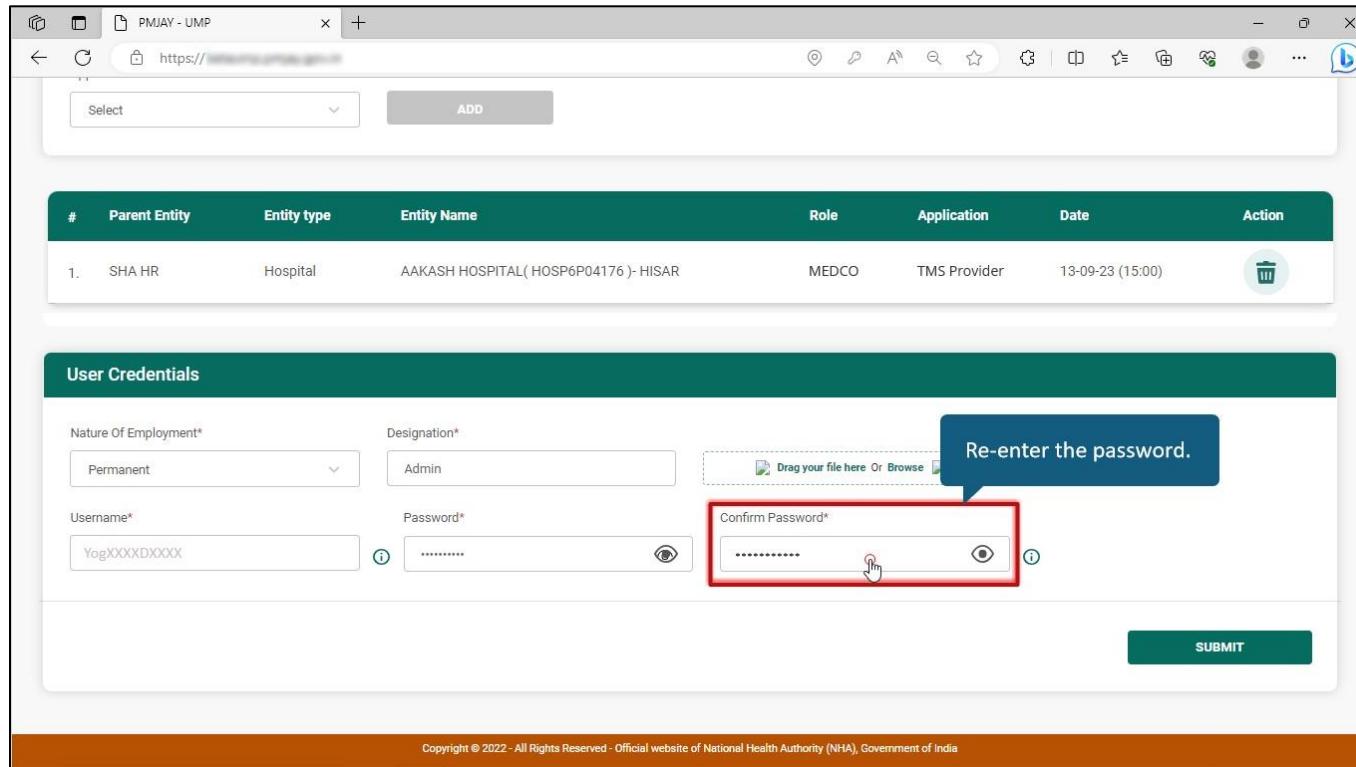

Below the table is a section titled "User Credentials" containing fields for "Nature Of Employment\*", "Designation\*", "Username\*", "Password\*", and "Confirm Password\*". The "Password\*" field includes an "i" icon, which is highlighted with a red box in the screenshot. A tooltip for this icon states: "The 'i' (information) icon displays the password validation rules." To the right of the password fields, a list of validation rules is displayed:

- Be atleast 8 characters long
- Have atleast 1 number ( 0 - 9 )
- Have atleast 1 upper case letter( A - Z )
- Have atleast 1 lower case letter( a - z )
- Have atleast 1 special character( - \_ . @ )

At the bottom of the page, a copyright notice reads: "Copyright © 2022 - All Rights Reserved - Official website of National Health Authority (NHA), Government of India".

### Step 49:

Re-enter the password.

The screenshot shows a web-based application for managing user credentials. At the top, there is a table listing entities. Below it, the 'User Credentials' section contains fields for Nature Of Employment (Permanent), Designation (Admin), Username (YogXXXXXXXX), and two password fields: 'Password\*' and 'Confirm Password\*'. A red box highlights the 'Confirm Password\*' field, which has a red border and a cursor icon indicating it is active. A blue speech bubble above it says 'Re-enter the password.' The 'SUBMIT' button is located at the bottom right of the form area.

#	Parent Entity	Entity type	Entity Name	Role	Application	Date	Action
1.	SHA HR	Hospital	AAKASH HOSPITAL( HOSP6P04176)- HISAR	MEDCO	TMS Provider	13-09-23 (15:00)

## Step 50:

And click **SUBMIT**.

The screenshot shows a web browser window titled "PMJAY - UMP" displaying a user management interface. At the top, there is a search bar labeled "Select" and an "ADD" button. Below this is a table listing a single entity:

#	Parent Entity	Entity type	Entity Name	Role	Application	Date	Action
1.	SHA HR	Hospital	AAKASH HOSPITAL( HOSP6P04176 )- HISAR	MEDCO	TMS Provider	13-09-23 (15:00)	

Below the table is a section titled "User Credentials" with the following fields:

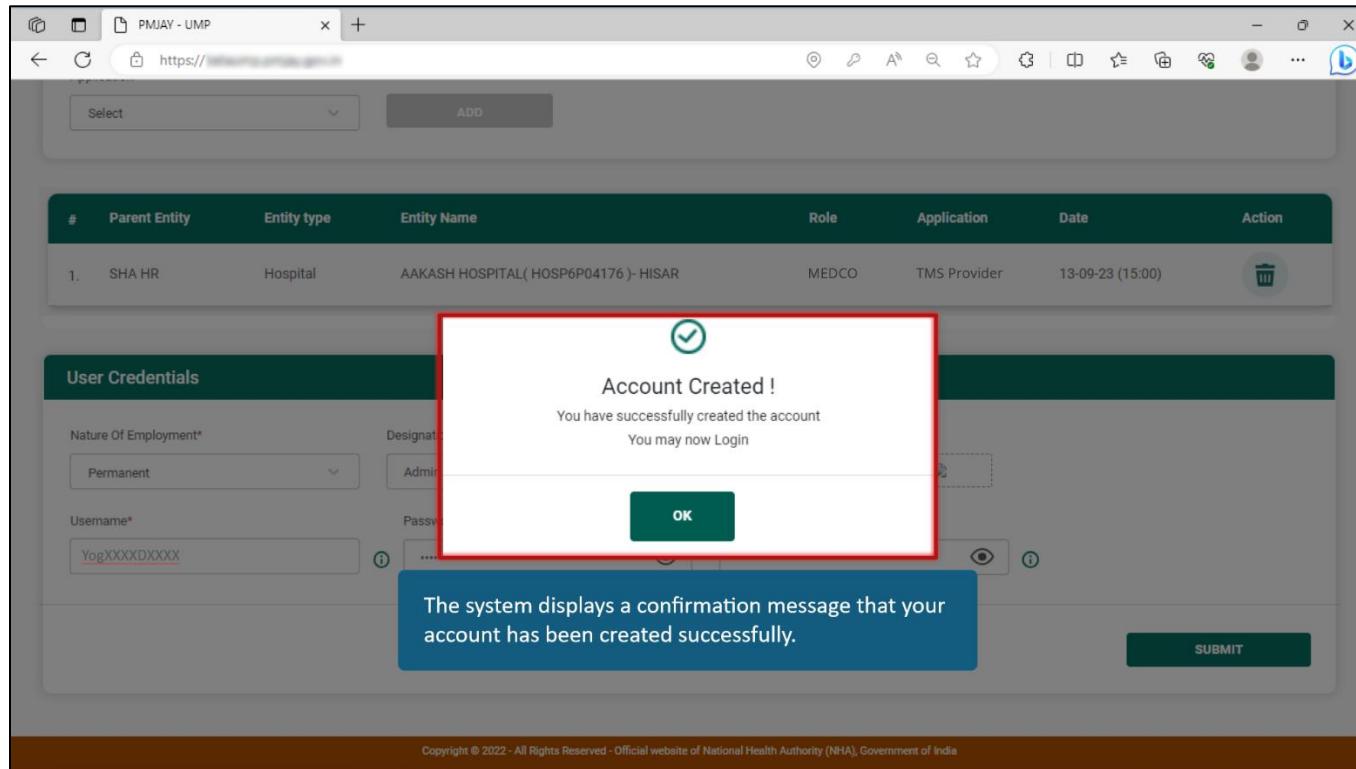

- Nature Of Employment\*: Permanent
- Designation\*: Admin
- Drag your file here Or Browse
- Username\*: YogXXXXXXXX
- Password\*: ..... (eye icon)
- Confirm Password\*: ..... (eye icon)

A blue speech bubble points to the "SUBMIT" button with the text "Click SUBMIT." A red box highlights the "SUBMIT" button, which is being clicked by a cursor.

At the bottom of the page, a copyright notice reads: Copyright © 2022 - All Rights Reserved - Official website of National Health Authority (NHA), Government of India.

### Step 51:

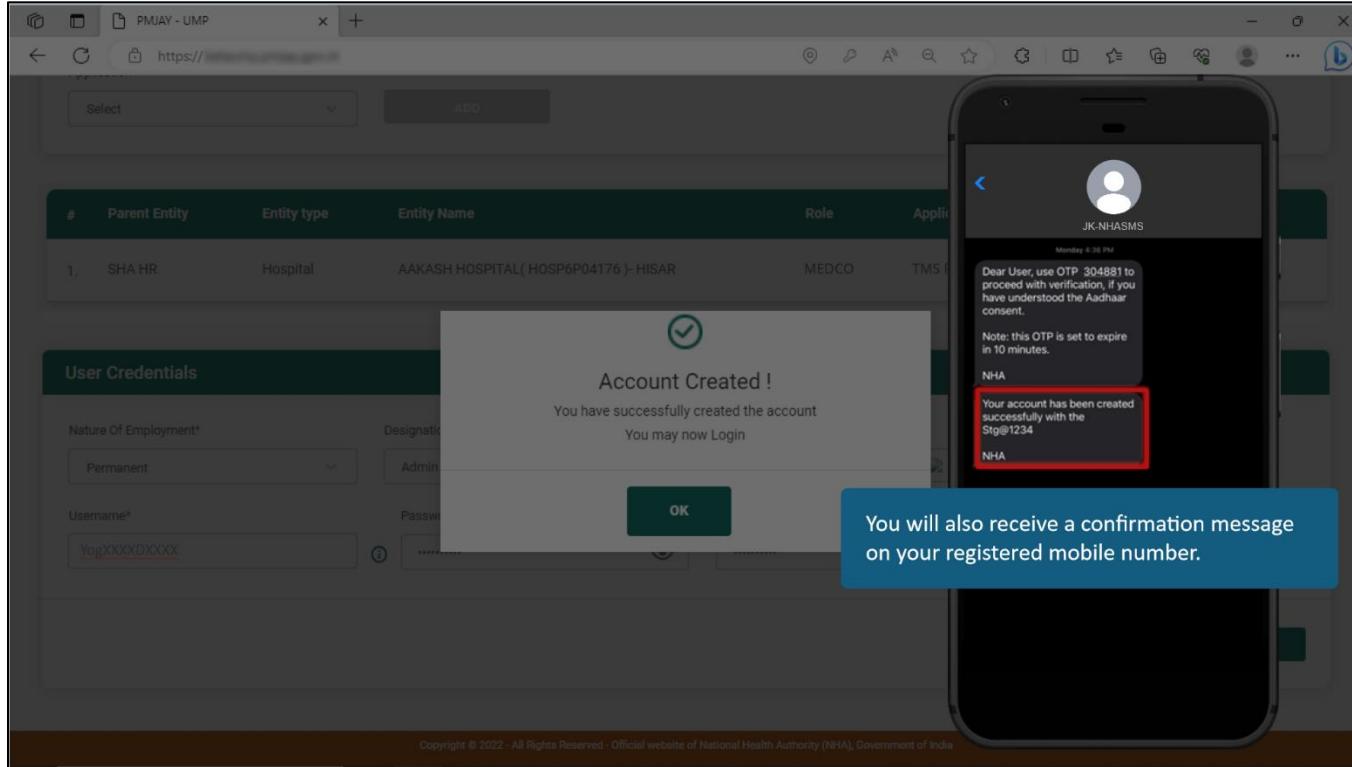

The system displays a confirmation message that your account has been created successfully.

A screenshot of a web-based application interface. At the top, there's a header bar with a search field containing 'Select' and a button labeled 'ADD'. Below this is a table with columns: #, Parent Entity, Entity type, Entity Name, Role, Application, Date, and Action. One row is visible: '1. SHA HR' under Parent Entity, 'Hospital' under Entity type, 'AAKASH HOSPITAL(HOSP6P04176)- HISAR' under Entity Name, 'MEDCO' under Role, 'TMS Provider' under Application, '13-09-23 (15:00)' under Date, and a trash can icon under Action. In the center, a modal window is displayed with a green checkmark icon at the top. The main text in the modal says 'Account Created !' followed by 'You have successfully created the account' and 'You may now Login'. A red rectangular box highlights this modal. At the bottom of the modal, there's an 'OK' button. Below the modal, a blue callout box contains the text: 'The system displays a confirmation message that your account has been created successfully.' To the right of the modal, there's a 'SUBMIT' button. At the very bottom of the page, a dark brown footer bar contains the text 'Copyright © 2022 - All Rights Reserved - Official website of National Health Authority (NHA), Government of India'.

## Step 52:

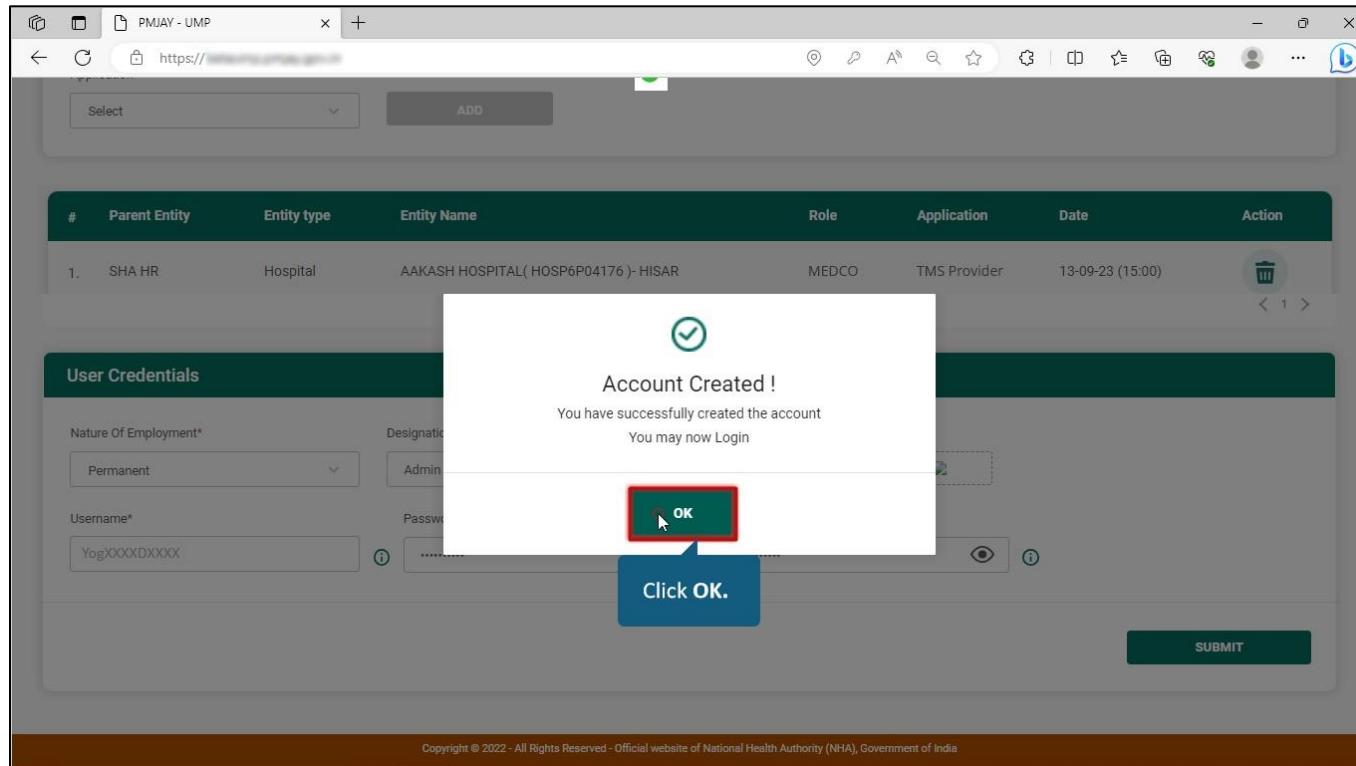

You will also receive a confirmation message on your registered mobile number.

The screenshot shows a web browser window for the NHA website. In the foreground, a modal dialog box displays a green checkmark icon and the text "Account Created !". Below it, smaller text reads "You have successfully created the account" and "You may now Login". At the bottom of this dialog is an "OK" button. In the background, there is a table listing entity information. To the right of the table, a smartphone screen shows a messaging application with a message from "JK-NHASMS" containing an OTP (304881) for account verification. The message also includes a note about the OTP expiring in 10 minutes and a reference to Aadhaar consent. A red box highlights this message on the phone screen. A blue callout bubble at the bottom right of the main interface states: "You will also receive a confirmation message on your registered mobile number."

### Step 53:

Click OK.

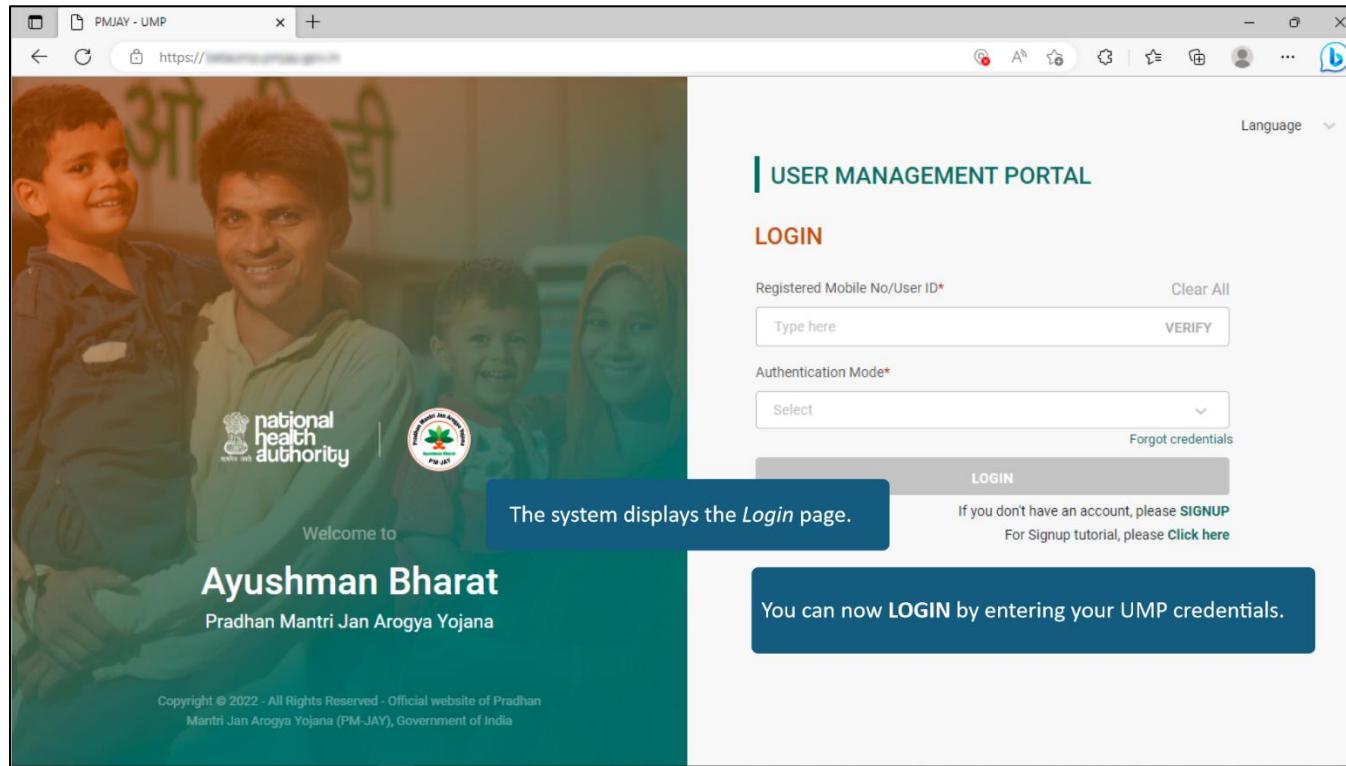

The screenshot shows a web-based application interface for managing entity accounts. At the top, there's a header bar with tabs like 'Select' and 'ADD'. Below it is a table with columns: #, Parent Entity, Entity type, Entity Name, Role, Application, Date, and Action. One row is visible, showing '1.', 'SHA HR', 'Hospital', 'AAKASH HOSPITAL(HOSP6P04176)- HISAR', 'MEDCO', 'TMS Provider', '13-09-23 (15:00)', and a trash icon in the Action column.

A modal window is displayed in the center, titled 'Account Created !'. It contains the message 'You have successfully created the account' and 'You may now Login'. A red box highlights the 'OK' button, which is being clicked by a cursor. Below the modal, a blue button says 'Click OK.'.

At the bottom of the page, there's a copyright notice: 'Copyright © 2022 - All Rights Reserved - Official website of National Health Authority (NHA), Government of India'.

### Step 54:

The system displays the *Login* page. You can now login by entering your UMP credentials.

The system displays the *Login* page.

You can now **LOGIN** by entering your UMP credentials.

You have now learnt how to do your e-KYC and register yourself on the UMP application.

Thank You!
